# UNIVERSITY EMBLEMS

## THE PRESIDENTIAL MEDALLION

The presidential medallion is worn by the president of Wichita State University on significant or official ceremonial occasions as the symbolic manifestation of his role and responsibility as the chief officer of the university. The official seal of Wichita State University anchors the ceremonial anaglyph and is encircled by two hyperbolic forms designed to complement the university mace. The presidential medallion is suspended from black silk trimmed with gold.

## THE UNIVERSITY MACE

As the official symbol of the university's authority and power, the mace is carried by selected college faculty in the academic procession. The mace was commissioned in 1978 by Paul J. Magelli, former dean of Fairmount College of Liberal Arts and Sciences, as a memorial to his twin brother, Peter M. Magelli, and presented for the first time at the 1980 commencement.

Designed by artist Jonathan Graham Bonner of Providence, Rhode Island, the mace is executed primarily in stainless steel, gold and silver. The head of the mace is a gilt frame with 22 stainless steel spikes. The points are sterling silver. A silver ball engraved with the three seals of Wichita State University–Fairmount College, the Municipal University of Wichita and Wichita State University–is suspended in the frame by two springs. The shaft is a stainless steel spring, and the handle is a gilt ball set with nine hematites.

## THE UNIVERSITY SEAL

The seal of Wichita State University incorporates many images. A farmer and an Indian, representing Kansas' rural background and Native American heritage, are looking up at seven stars above a lamp of learning.

The university's name arcs above these images. Below them is a sunflower flanked by wheat, again signifying Kansas, and a laurel, a symbol of learning. Three significant dates of the university's past also are included: 1895, Fairmount College founding; 1926, University of Wichita reorganization date; and 1964, the date the university entered the Kansas Regents' system.

## HONORARY DEGREES

An honorary degree is an exceptional honor bestowed upon a person without fulfillment of the usual requirements. Honorary degrees are conferred only upon persons of notable intellectual, scholarly, professional, creative achievement or service to humanity. A candidate for an honorary degree must be deeply grounded in a career of scholarship, research, creative activity, service to humanity or other profession consistent with the endeavors of Wichita State University.

## DATE OF GRADUATION

This program is not an official list of confirmed graduates for the 2022 Fall Commencement. Students listed in this commencement program are candidates for degrees in December 2022.

Students' names are listed in this program as they appear on the graduation list provided by the Office of the Registrar. Students' names are read during the university commencement ceremony as they appear on the graduation card approved by the graduates.

## GRADUATION WITH HONORS

Degrees are conferred with distinction upon undergraduate students who have shown exceptional scholarship in both their cumulative and WSU grade point averages. Students with grade point averages of 3.90 out of a possible 4.00 receive the summa cum laude award; those with averages of 3.550 to 3.899 receive the magna cum laude; and those with averages of 3.250 to 3.549 receive the cum laude.

Candidates for degrees and for university honors for December 2022 have been tentatively determined on the basis of work completed through Spring 2022.

In addition to university honors, departmental honors are awarded to students who have met the appropriate requirements. Wichita State does not confer honors upon students completing degrees in the Graduate School.

## ACADEMIC DRESS

Today's academic dress evolved from caps and gowns worn in medieval universities. The academic gown is the basic garment and by tradition is black for all degrees and ranks.

The square caps or mortarboards are part of the prescribed academic dress. Accompanying the gowns are hoods lined with silk in the official color of the institution conferring the degree and bordered in the color representing the discipline of learning. The color of the tassel designates the student's degree and may vary from what is found on the hood. Students receiving graduate degrees wear the color appropriate to the degree emphasis.

**MONA NEMER**

*2022 Honorary Degree Recipient*

Dr. Mona Nemer is the Chief Science Advisor to Canada's Prime Minister, Minister of Innovation, Science and Industry, and Cabinet. Her mandate is to provide advice on issues related to science and government policies that support it. This includes advising on ways to ensure that science is considered in policy decisions and that government science is fully available to the public.

Before becoming the Chief Science Advisor, Dr. Nemer was Professor and Vice-President of Research at the University of Ottawa and Director of the school's Molecular Genetics and Cardiac Regeneration Laboratory. She holds a PhD in Chemistry from McGill University and did post-doctoral training in molecular biology at the Institut de Recherche Clinique de Montréal and Columbia University.

Dr. Nemer is a leader in the area of molecular cardiology; she has discovered several genes essential for normal heart development and function. Her work has contributed to the development of diagnostic tests for heart failure and the genetics of cardiac birth defects. She has published more than 200 highly cited scientific articles and trained over 100 students from around the world.

Dr. Nemer is a member of the Order of Canada, a fellow of the Academy of Sciences of the Royal Society of Canada, a knight of the Ordre national du Québec and a knight of the French Republic's Ordre national du Mérite. She is also a fellow of the American Association for the Advancement of Science, and a member of the American Academy of Arts and Sciences. She has also been awarded honorary doctorates from France, Finland and Lebanon. In 2018, Dr. Nemer was awarded the Arthur Wynne Gold Medal by the Canadian Society for Molecular Biosciences.

**CHERYL HARRISON-LEE**

*Kansas Board of Regents*

Cheryl Harrison-Lee was appointed to the Kansas Board of Regents by Governor Laura Kelly in 2019. She is the CEO of HLDC, a management consulting firm, and serves as the chief technical advisor for the City of Kansas City, Missouri, providing expertise on the Central City Sales Tax. Ms. Harrison-Lee's experience includes employment in statewide, regional and local government sector as well as private consulting firms. She is an accomplished municipal administrator in Florida and Kansas. Regent Harrison-Lee's work in Gardner led the city to achieve its first national award recognition for strategic planning and performance management.

## THE ALMA MATER

*J. Bert Graham, arr. Dean K. Roush*

- |  |  |  |
|--|--|--|
| 1. Our Alma Mater, Wichita,<br>Stands proudly on the hill,<br>Our sons and daughters bow to thee,<br>Our hearts with praise we fill. | 2. Around our lives are memories<br>That tenderly entwine,<br>And through the midst of the rolling years<br>Of thee we build a shrine. | 3. Thy call to all that life holds dear<br>Is a clear and constant guide,<br>With love and truth and loyalty<br>And may they e'er abide. |
| Then hail our Alma Mater!<br>Hail thee, grand and true,<br>Long wave the yellow and the black<br>Oh Wichita, here's to you!          | Then hail our Alma Mater!<br>Hail thee, grand and true,<br>Long wave the yellow and the black<br>Oh Wichita, here's to you!            | Then hail our Alma Mater!<br>Hail thee, grand and true,<br>Long wave the yellow and the black<br>Oh Wichita, here's to you!              |
