# UNIVERSITY EMBLEMS

## THE PRESIDENTIAL MEDALLION

The presidential medallion is worn by the president of Wichita State University on significant or official ceremonial occasions as the symbolic manifestation of his role and responsibility as the chief officer of the university. The official seal of Wichita State University anchors the ceremonial anaglyph and is encircled by two hyperbolic forms designed to complement the university mace. The presidential medallion is suspended from black silk trimmed with gold.

## THE UNIVERSITY MACE

As the official symbol of the university's authority and power, the mace is carried by selected college faculty in the academic procession. The mace was commissioned in 1978 by Paul J. Magelli, former dean of Fairmount College of Liberal Arts and Sciences, as a memorial to his twin brother, Peter M. Magelli, and presented for the first time at the 1980 commencement.

Designed by artist Jonathan Graham Bonner of Providence, Rhode Island, the mace is executed primarily in stainless steel, gold and silver. The head of the mace is a gilt frame with 22 stainless steel spikes. The points are sterling silver. A silver ball engraved with the three seals of Wichita State University–Fairmount College, the Municipal University of Wichita and Wichita State University–is suspended in the frame by two springs. The shaft is a stainless steel spring, and the handle is a gilt ball set with nine hematites.

## THE UNIVERSITY SEAL

The seal of Wichita State University incorporates many images. A farmer and an Indian, representing Kansas' rural background and Native American heritage, are looking up at seven stars above a lamp of learning.

The university's name arcs above these images. Below them is a sunflower flanked by wheat, again signifying Kansas, and a laurel, a symbol of learning. Three significant dates of the university's past also are included: 1895, Fairmount College founding; 1926, University of Wichita reorganization date; and 1964, the date the university entered the Kansas Regents' system.

## COMMENCEMENT GUESTS

---

### **KHALID RAZA** | 2021 Honorary Degree Recipient

Khalid Raza is widely regarded in the computing industry as a visionary in building networks, grid solutions and routing protocols for the world's largest internet service providers and Fortune 100 companies. His emphasis lies in enabling businesses to keep up with the changing needs of their users, consumers and the workforce in general. He holds multiple patents in network routing and security protocols and has received an array of industry awards. Born to a working-class family in Pakistan, today he lives in the Silicon Valley bay area with his wife and three children.

A 1992 graduate of Wichita State with a master's degree in industrial engineering, Mr. Raza has praised WSU for the high-quality education he received, as well as the inspiring guidance of his professors. That appreciation and desire to give back led him to establish a generous scholarship supporting more than 60 students in the WSU College of Engineering.

As Wichita State expands its focus on innovation and technology, Mr. Raza is an inspiring example of how important both are to solving the enormous challenges facing society. An inventor, entrepreneur, philanthropist and visionary, Khalid Raza is a role model for our students and an exemplary candidate for the high honor we seek to bestow upon him.

### **CHERYL HARRISON-LEE** | Kansas Board of Regents

Cheryl Harrison-Lee was appointed to the Kansas Board of Regents by Governor Laura Kelly in 2019. She is the CEO of HLDC, a management consulting firm, and serves as the chief technical advisor for the City of Kansas City, Missouri, providing expertise on the Central City Sales Tax. Ms. Harrison-Lee's experience includes employment in statewide, regional and local government sector as well as private consulting firms. She is an accomplished municipal administrator in Florida and Kansas. Regent Harrison-Lee's work in Gardner led the city to achieve its first national award recognition for strategic planning and performance management.

## COMMENCEMENT NOTES

---

### **HONORARY DEGREES**

An honorary degree is an exceptional honor bestowed upon a person without fulfillment of the usual requirements. Honorary degrees are conferred only upon persons of notable intellectual, scholarly, professional, creative achievement or service to humanity. A candidate for an honorary degree must be deeply grounded in a career of scholarship, research, creative activity, service to humanity or other profession consistent with the endeavors of Wichita State University.

### **DATE OF GRADUATION**

This program is not an official list of confirmed graduates for the 2021 Fall Commencement. Students listed in this commencement program are candidates for degrees in December 2021.

Students' names are listed in this program as they appear on the graduation list provided by the Office of the Registrar. Students' names are read during the university commencement ceremony as they appear on the graduation card provided by the graduates.

### **GRADUATION WITH HONORS**

Degrees are conferred with distinction upon undergraduate students who have shown exceptional scholarship in both their cumulative and WSU grade point averages. Students with grade point averages of 3.90 out of a possible 4.00 receive the summa cum laude award; those with averages of 3.550 to 3.899 receive the magna cum laude; and those with averages of 3.250 to 3.549 receive the cum laude.

Candidates for degrees and for university honors for December 2021 have been tentatively determined on the basis of work completed through Spring 2021.

In addition to university honors, departmental honors are awarded to students who have met the appropriate requirements. Wichita State does not confer honors upon students completing degrees in the Graduate School.

### **ACADEMIC DRESS**

Today's academic dress evolved from caps and gowns worn in medieval universities. The academic gown is the basic garment and by tradition is black for all degrees and ranks.

The square caps or mortarboards are part of the prescribed academic dress. Accompanying the gowns are hoods lined with silk in the official color of the institution conferring the degree and bordered in the color representing the discipline of learning. The color of the tassel designates the student's degree and may vary from what is found on the hood. Students receiving graduate degrees wear the color appropriate to the degree emphasis.

## THE ALMA MATER

*J. Bert Graham, arr. Dean K. Roush*

1. Our Alma Mater, Wichita,  
Stands proudly on the hill,  
Our sons and daughters bow to thee,  
Our hearts with praise we fill.

Then hail our Alma Mater!  
Hail thee, grand and true,  
Long wave the yellow and the black  
Oh Wichita, here's to you!

2. Around our lives are memories  
That tenderly entwine,  
And through the midst of the rolling years  
Of thee we build a shrine.

Then hail our Alma Mater!  
Hail thee, grand and true,  
Long wave the yellow and the black  
Oh Wichita, here's to you!

3. Thy call to all that life holds dear  
Is a clear and constant guide,  
With love and truth and loyalty  
And may they e'er abide.

Then hail our Alma Mater!  
Hail thee, grand and true,  
Long wave the yellow and the black  
Oh Wichita, here's to you!
