You will work closely with the dance program’s professional faculty and nationally recognized guest artists as you expand your vision as a dance artist!

**Our Promise to You**
- You will receive a well-balanced education and excellent training in all areas of the art form.
- You will be exposed to new ideas through classes, workshops, guest artists, mentoring, and performances.
- You will have many opportunities to choreograph and perform while you grow as a dancer and an artist.

**MainStage Productions** are developed under the guidance of our professional faculty and staff, often with an exciting mix of renowned guest artists.

**SecondStage Productions** range from fully-produced student concerts, such as Senior Concerts and the annual Undergraduate Dance Concert, to informal showings of choreography and technique, where students come together to cheer each other on and celebrate dance. These productions serve as a “learning laboratory” for WSU Dance students.
