

Best Practices Recommended by the CDC

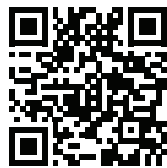

# *STOP THE SPREAD OF COVID-19*

People with COVID-19 report varied symptoms, ranging from mild to severe illness. Symptoms may present up to 14 days after exposure.

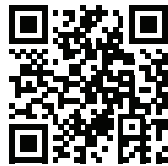

**CDC list of COVID-19  
signs and symptoms**

If you feel unwell, get tested. Be prepared: Order free at-home tests at [special.usps.com/testkits](https://special.usps.com/testkits). Free testing is also available at Wichita State's **Student Health Services** and the **Molecular Diagnostics Lab**.
