Finance & Audit Report

Sheelu Surender shared a presentation on the Mill Levy Scholarship funding. Her goal is to help students have affordable access to their college education. The funds are divided about 50% for merit and 50% for need. In FY2019 the Sedgwick County Access Grant was offered which is a gap scholarship for financial need. FY2022 will be the start of the Shocker Promise scholarships – tuition & fees for Shocker Pell eligible neighborhood students. Surender would like to increase the amount of funding for the Shocker Promise scholarship program.

McCarthy Snyder asked Bruun to review the financial reports with the board. He also reviewed the Mill Levy Budget and said everything was on track.

FY2022 Mill Levy Budget Review & Approval

Bruun reviewed the FY2022 Mill Levy budget. There was discussion on the amount of money put towards scholarships and the NIRDT funding commitment. McCarthy Snyder asked for motion to approve the FY22 budget, Dietz moved, Packebush seconded and Rouser and Stevens opposed, the motion passed.

Campus Development Report

Packebush discussed the restroom remodel - to proceed with all 3 sets of bathrooms up to ADA standards budget amount needs to be increased from \$95,000 to \$140,000. Packebush asked for motion to approve the increased budget amount, Rouser motioned, Stevens seconded and the motion passed.

Bruun reviewed the Campus Development Financial Plan. McCarthy Snyder made a motion to receive the report, Rouser seconded, and the motion passed.

University Update

Muma discussed the COVID health/safety guidelines for campus. Stated his focus is on providing affordable education access to students, supporting business with a talent pipeline and increasing the economic prosperity of south central Kansas and the region. He said we have a strong freshman class for FY21, had the highest freshman retention rate ever, and have increased diversity in our student population. WSU is working to be designated as a Hispanic Serving Institution which will bring more federal funding. Some upcoming projects to support students are: an addition to Marcus Welcome Center to focus on full life cycle from student to career, remodel of Clinton to incorporate all student support services, take off-line Brennen I, II, III and building on 17th/Hillside to make way for Shocker Neighborhood projects.

The NIDT building has changed its name to incorporate “research” so it is now is the National Institute for Research and Digital Transformation (NIRDT). Currently, 20 companies are on campus, including the Deloitte Smart Factory giving applied learning experiences and providing a talent pipeline to businesses in our region. WSU is working to diversify research and increase PHD students stipends. Schlapp discussed what is happening with the legislature.

The group discussed having a retreat for the July meeting to plan for the future and develop priorities.
