Attend the preeminent conference for advanced practice nurses in the region, offering up to 10.0 hours of continuing education, with dynamic speakers on the topics that matter to you. Sponsored by the Wichita State University School of Nursing.

APRN CE CONFERENCE
SIXTH ANNUAL
DOUBLETREE BY HILTON WICHITA AIRPORT

SEPT. 26-27, 2019

Applying Evidence-Based Practice to Create a Climate of Healing

Attend the preeminent conference for advanced practice nurses in the region, offering up to 10.0 hours of continuing education, with dynamic speakers on the topics that matter to you. Sponsored by the Wichita State University School of Nursing.
It’s our pleasure to invite you to join your colleagues at the Sixth Annual Wichita State University Advanced Practice Registered Nurse (APRN) CE Conference, September 26-27, 2019. This conference is designed to provide advanced practice nurses in both the primary and acute setting the opportunity to further enhance their ability to assess, diagnose and manage health conditions.

Our dynamic speakers will share their unique perspectives on the role of the advanced practice nurse in the ever-changing health care environment. Sessions will include pharmacology presentations on managing anxiety and diabetes care, as well as clinically orientated, evidence-based information on the treatment of skin injuries and abscesses, dermatology, infectious diseases, medical coding, heart failure, and much more.

We will once again be offering specialty workshops on Thursday afternoon to enrich practice technique and we are excited to include a workshop on advanced assessment for physical therapy.

Don’t miss this exciting opportunity to enhance your professional growth and network with your colleagues and peers.

---

**CONFERENCE OBJECTIVES**

1. Identify current and future challenges and opportunities in Advanced Practice Registered Nursing in Kansas.
2. Demonstrate improved patient care techniques upon completion of the skill workshops.
3. Utilize new interventions to maintain health by evaluating pharmacological and non-pharmacological treatment modalities.
5. Articulate a better understanding of the value of APRN practice.

---

**PLANNING COMMITTEE**

**TERRI CORE, MSN, ACNP**, Conference Chair, WSU School of Nursing

**REBECCA CARTER, MSN, APRN, FNP-BC**, WSU School of Nursing

**ALICIA HUCKSTADT, PhD, APRN, FNP-BC, GNP-BC, FAANP**, WSU School of Nursing

**KIM JOHNSON, DNP, APRN, FNP-BC**, Ascension Via Christi Hospitals Wichita

**MAGGIE LEIGHTON, DNP, APRN, FNP-C**, WSU School of Nursing

**VONCELLA McCLEARY-JONES, PhD, RN-BC, CNE, ANEF**, WSU School of Nursing

**ANGIE STORRER, MSN, APRN**, WSU School of Nursing
Sally K. Miller

*PhD, AGACNP, AGPCNP, FNP-BC, FAANP, Clinical Professor, Drexel University College of Nursing and Health Professions*

Dr. Miller is a certified adult-gerontology acute care, adult-gerontology primary care, and family nurse practitioner by the American Nurses Credentialing Center (ANCC). She owns Sahara Family Practice in Las Vegas, Nevada, where she remains active in clinical practice. Dr. Miller is a fellow of the American Academy of Nurse Practitioners (AANP) and a clinical professor at the Drexel University College of Nursing and Health Professions, Philadelphia, Pennsylvania.

Dr. Miller has presented a wide variety of pharmacology and clinical topics at local and national conferences, including the National Conference of Nurse Practitioners, the American Academy of Nurse Practitioners, and the University of Colorado Annual Nurse Practitioner Symposium. In addition, Dr. Miller presents workshops in collaboration with other FHEA associates on the topics of Suturing Basics for Primary and Urgent Care Providers and Suturing: Beyond the Basics, which are held several times per year around the country.

Dr. Miller is a member of numerous professional organizations, including the American Academy of Nurse Practitioners, American Nurses Association, Academy of Correctional Health Professionals, and the Nevada Nurses’ Association. She has been published in several nurse practitioner journals including Journal of the American Academy of Nurse Practitioners, Biological Research for Nursing, Journal of Geriatric Physical Therapy, Journal of Primary Health Care, Journal of Correctional Health Care, Advance for Nurse Practitioners, and many more.

Thomas A. Moore

*M.D., FACP, FIDSA, Physician, Infectious Disease Consultants*

Dr. Tom Moore graduated from Washington University in St. Louis with degrees in both Biology and Classics. Following his graduation from the University of Kansas School of Medicine in 1989, Dr. Moore completed his residency in internal medicine at Baylor College of Medicine in Houston, serving as Chief Resident at The Methodist Hospital. Subspecialty training in infectious diseases was completed at the National Institutes of Health (NIH) in Bethesda, Maryland as a member of the United States Public Health Service. Dr. Moore served as a member of the clinical staff at the NIH and the National Naval Medical Center before returning to his hometown of Wichita, Kansas. With the brief exception of a 2-year stint as Chairman of the Department of Infectious Diseases at Ochsner Medical Center in New Orleans, Dr. Moore has maintained a busy consultative practice within a single-specialty group of other ID physicians since 1997. In addition to clinical duties, Dr. Moore’s academic duties include an appointment as Clinical Professor at the University of Kansas School of Medicine-Wichita Campus. He has received teaching awards from medical students and residents, and has been recognized for medical service to the community.

Dr. Moore has been a principal investigator for international research projects involving strongyloidiasis and national trials evaluating treatments for West Nile Virus and fecal transplants for Clostridioides difficile infection. Dr. Moore has authored many papers and textbook chapters on infectious diseases in general and tropical diseases in particular, lecturing both nationally and internationally.

Dr. Moore has been elected to the Board of Directors of the Infectious Disease Society of America, and has been selected to serve as Chairman of the FDA’s Antimicrobial Drug Advisory Committee.

Long story short--Dr. Moore loves his job.
FEATURED SPEAKERS

Shannon Allen, APRN, ACNP-BC, Hospitalist, Carepoint Healthcare

Vanessa Baca, APRN, ACNP-BC, Hospitalist, Carepoint Hospitalist Group

Belinda Childs, APRN, MN, CDE, BC-ADM, Executive Director, Great Plains Diabetes

Mary Faragher, APRN, Associate Professor, Wichita State University School of Nursing

Dawn Gosnell, MSN, APRN-CNS, CCRN, Clinical Professional Development Consultant

Robert Hieger, MSN, FNP, Nurse Practitioner, Citizens Medical Center

Ron Hunninghake, MD, Chief Medical Officer, Riordan Clinic

Reyne Kenton, BA, K-TRACS Program Manager, Kansas Board of Pharmacy

Tammy Martinson, CPC, CPC-I, CPMA, CEMC, Integrity Medical Billing

Janell Mayer, Pharm.D, BCPS, BCGP, Associate Teaching Professor, Wichita State University School of Nursing

Wendy Mosiman, DNP, PPCNP-BC, APRN-CNS-P, RN-BC, Coordinator, Education, Children’s Mercy Wichita

Carol O’Mara, DNP, APRN, FNP-C, Advanced Practice Registered Nurse, Vituity/CEP - America

Tamera Wolf, RN, MSN, FNP, DCNP, US Dermatology Partners
Pre-Conference Sessions
Registration required. See page 8.

Session One
12 - 2 p.m.

12 Lead ECG - Basics and Beyond
Robert Hieger, MSN, FNP
Carol O’Mara, DNP, APRN, FNP-C
Consulate 3
This interactive session will provide an overview of the many facets of wound healing and wound repair techniques. The information provided will cover various methods of proper wound identification, the affected skin layers involved, and wound categorization. Additionally, appropriate usage of anesthetics, suturing methods, alternative methods of closure, stages of healing, and aftercare procedures will be practiced and explored.

Advanced Assessments with Physical Therapy: Knee
Mary Faragher, APRN
Consulate 2
This session will provide participants the opportunity for hands-on practice of advanced assessment skills and specific exams to improve the diagnostic process for the knee. Practice is aided with demonstration from Doctor of Physical Therapy students. Assessment pearls offered to assist in decision making for diagnostic exam. Participants need to come prepared to practice assessments and exams on live models. Time will be allowed for questions and input from the participants.

Thursday, September 26

Session Two
2:30 - 4:30 p.m.

Advanced Assessments with Physical Therapy: Shoulder
Mary Faragher, APRN
Consulate 2
This session will provide participants the opportunity for hands-on practice of advanced assessment skills and specific exams to improve the diagnostic process for the shoulder. Practice is aided with demonstration from Doctor of Physical Therapy students. Assessment pearls offered to assist in decision making for diagnostic exam. Participants need to come prepared to practice assessments and exams on live models. Time will be allowed for questions and input from the participants.

Evaluation and Treatment of Skin Injuries
Robert Hieger, MSN, FNP
Carol O’Mara, DNP, APRN, FNP-C
Consulate 3
This interactive session will provide an overview of the many facets of wound healing and wound repair techniques. The information provided will cover various methods of proper wound identification, the affected skin layers involved, and wound categorization. Additionally, appropriate usage of anesthetics, suturing methods, alternative methods of closure, stages of healing, and aftercare procedures will be practiced and explored.

Evaluation and Management of Skin Abscess and Infections
Robert Hieger, MSN, FNP
Carol O’Mara, DNP, APRN, FNP-C
Consulate 3
This interactive session will provide the opportunity for a hands-on experience of evaluating skin infections, the basics of anesthesia management, the opening of abscesses with adequate de-loculation and irrigation, and decision making in whether to pack the wound and/or antibiotics usage. Skin anatomy, conservative monitoring, and active exploration and management of skin lesions with a focus on the risks/benefits of each method chosen will be discussed.

Heart Failure - Managing a Complex Clinical Syndrome
Dawn Gosnell, MSN, APRN-CNS, CCRN
Multimedia Theatre
Participants will review and discuss pathophysiology, therapies, and strategies to better manage the challenging patient with a diagnosis of heart failure.
7 - 8 a.m.
Registration, Breakfast Buffet & Exhibitor Setup

8 - 8:15 a.m.
Welcome

8:15 - 9:15 a.m.
Opening Keynote
Evidence-Based Practice -- The Foundation of Healing
Sally K. Miller, PhD, AGACNP, AGPCNP, FNP-BC, FAANP
Salons 3 & 4
This keynote presentation emphasizes contemporary issues relevant to APRN practice in the current evidenced-based environment. Case studies are used to highlight the unique contribution of APRNs across the care spectrum. Specific strategies are analyzed, emphasizing specific contributions from all APRNs ranging from novice to expert; from exam room to national policy.

9:15 - 9:30 a.m.
Break to visit exhibitors

9:30 - 10:45 a.m.
Breakout Session 1
100 Years of Flu... What You Thought You Knew!
Wendy Mosiman, DNP, PPCNP-BC, APRN-CNS-P, RN-BC
Consulate 2
What do permafrost and paraffin have in common? Does chicken soup actually decrease flu symptoms? Why does influenza prevalence increase during Midwest winters? Is Tamiflu a miracle cure or advertising miracle? When can a big football win be the end? Join discussion on the deadliest disease in history!

10:45 - 11:05 a.m.
Break to visit exhibitors

11:05 a.m. - 12:20 p.m.
Breakout Session 2
Diabetes: What’s New, What to Do
Belinda Childs, APRN, MN, CDE, BC-ADM
Multimedia Theatre
Using case studies, new diabetes medications and the newest diabetes technologies will be reviewed. Integrating new diabetes technologies in practice will be addressed.

CODING IN FAMILY PRACTICE
Tammy Martinson, CPC, CPC-I, CPMA, CEMC
Consulate 3
This presentation will describe what an auditor looks for in the documentation. This will also include what is needed to code and bill the charge correctly. Medical necessity is still the overarching criteria for payment and why EMR is just a tool for coding.

MANAGING DEPRESSION AND ANXIETY IN PRIMARY CARE: PHARMACOLOGIC CHOICES
Sally K. Miller, PhD, AGACNP, AGPCNP, FNP-BC, FAANP
Multimedia Theatre
This session uses a case study approach to differentiate depression and anxiety in the primary care setting, with an emphasis on the analysis of pharmacotherapeutic choices. Selection of drug therapy based upon symptom presentation is considered, with specific consideration of the unique differences among SSRIs commonly utilized.
Pharmacogenomics and Clinical Practice: Using Genetic Information in Guiding Medication Therapy  
Janell Mayer, Pharm.D, BCPS, BCGP  
Consulate 2  
This session reviews the fundamentals of pharmacogenomics, the key resources available for obtaining guidance in clinical decision making, and considerations for pharmacogenomic testing.

Puzzles in Acute Care: Case Studies  
Shannon Allen, APRN, ACNP-BC  
Vanessa Baca, APRN, ACNP-BC  
Consulate 3  
Each presenter will discuss a case study and will use audience poll throughout for an interactive approach. Ms. Allen will be presenting a case on fever with pancytopenia with diagnosis leading to Ehrlichiosis Tick borne illness. Ms. Baca will be presenting a case of tachycardia, fever, hypertension which leads to a diagnosis and treatment of Thyroid Storm. Both will include sections on pharmacological interventions associated with these cases, lab findings, diagnostics, HPI, differential diagnosis and hospital course.

12:20 - 1:20 p.m.  
Lunch, provided, and time to visit exhibitors

1:20 - 2:35 p.m.  
Breakout Session 3

Dermatology for Primary Care  
Tamera Wolf, RN, MSN, FNP, DCNP  
Multimedia Theatre  
This session will discuss the identification and treatment of common skin conditions and cancers seen in primary care, as well as identify various prescription treatment of said conditions.

2:35 - 2:55 p.m.  
Break to visit exhibitors

2:55 - 4:10 p.m.  
Closing Keynote

When is a Bacterium just a Bacterium? Evidence-Based Practice in Infectious Disease  
Thomas A. Moore, MD, FACP, FIDSA  
Salons 3 & 4  
How to sort through distracting data, arrive at the correct diagnosis, and choose the correct antibiotic.
CONFERENCE INFORMATION

CONTACT HOURS FOR RELICENSURE
This activity is approved for 10.0 contact hours of continuing education (which includes 3.42 pharmacology hours) by the American Association of Nurse Practitioners. This activity was planned in accordance with AANP Accreditation Standards and Policies.

Wichita State University College of Health Professions is approved as a provider of CNE by the Kansas State Board of Nursing. This course offering is approved for 7.2 contact hours for the General Conference and each optional pre-conference session is approved for 2.4 contact hours applicable for APRN relicensure. Kansas State Board of Nursing provider number: #LT 0090-0327.

Evaluation and Certificates
Conference participants will evaluate the conference electronically. Participants will receive a link to access the evaluation upon conclusion of the conference. Certificates will be emailed within 30 days of receipt of their evaluation.

Registration, Fees, and Refunds
The conference registration fee includes conference materials, breakfast and lunch on Friday, and refreshment breaks.

All cancellations must be made in writing. A 15% administrative fee will be assessed on all cancellations (this includes purchase orders.) There will be no refunds after September 12, 2019. You will receive a confirmation email within 7 – 10 days of the receipt of your registration. If you do not, please contact: conference.office@wichita.edu or call us at (316) 978-6493.

This conference is being facilitated by the Office for Workforce, Professional and Community Education at Wichita State University. Please mail your conference registration and payment by check or purchase order made payable to:

Office for Workforce, Professional and Community Education, Wichita State University
1845 Fairmount Street, Campus Box 136
Wichita, Kansas 67260-0136

Or fax to: 316-978-3064
Or register online at: www.wichita.edu/conferences/aprn

Conference Location
DoubleTree by Hilton Hotel Wichita Airport
2098 S. Airport Road
Wichita, Kansas 67209

Making a Reservation
Reservations must be received by September 10, 2019. Reservations can be made by calling the hotel directly at 316-945-5272.

Reservations received after this date will be accepted on availability at the best available rate at the time of reservation.

Room Rate
Special rates for conference attendees and exhibitors have been arranged with the DoubleTree. Single and double room rates are $113/night plus tax.

Check In & Check Out
Check in time is 3:00 p.m. If you arrive before 3:00 p.m. the hotel will accommodate as rooms become available. Check out time is noon. The hotel bell captain can store your luggage if you arrive early and your room is not available.
