EXPANDING YOUR HORIZONS
a career workshop primarily for young women in grades 6-8
Saturday, April 23, 2022 | Wichita State University

Expanding Your Horizons (EYH) is a one-day event primarily for girls in middle school. This 9th annual event will include hands-on activities in science, technology, engineering, and math (STEM.) Attendees will meet STEM role models and learn more about careers in those fields. The ultimate goal of EYH is to motivate young women to consider careers in STEM.

FEATURED TOPICS:
- Earth, Wind, and Fire
- Save the Earth
- Life on Earth and Beyond
- Solving Earth's Mysteries
- Conserve Your Resources
- Water's Worth It!
- What are you made of?
- Global/Environmental Challenges

For this year’s track descriptions, please visit: wichita.edu/conferences/eyh
EXPANDING YOUR HORIZONS
is more than your ordinary science class

PARENTS’ SESSION
Topics covered will include financing college, college expectations related to preparation during middle school and high school, and the process of applying to colleges, including taking the ACT, test prep, college visits, application essays, scholarships, and more. Consider taking an optional WSU campus tour after the event!

TRACK INFORMATION
Each EYH track is unique, fun and taught by qualified instructors. Track space is limited. Students will rank their top five track choices when they register. Once the registration deadline has passed, staff will assign tracks based upon the rankings. While staff will make every attempt to place students in their preferred tracks, please note that students may be assigned to other tracks due to changes in the track schedule, capacity, etc.

REGISTER ONLINE: wichita.edu/conferences/eyh
Registration closes on April 20, at 5:00PM
Registration Fee: $15.00
Registration fee includes lunch, a name badge, t-shirt and WSU bag for the student attending.
