### **Pathways Coordinator Networking**

*During this session, participants will discuss the questions below in order to network and dive deeper into takeaways from the learning session so far. Feel free to take notes on this document as we go through this session.*

**1. What did you take away from yesterday's opening keynote session?**

**2. How did this session inform you in your work with your community?**

**3. How will you apply any lessons learned from this session to your Pathways work?**

**4. What challenges do you foresee in your community that could come up from the items discussed in the keynote session?**

**5. What session has piqued your curiosity so far? What was interesting about it?**

**6. How does the session mentioned above translate to action in your community? How does it inform your action or communications plan as they stand?**

**7. What session did you not attend that you were curious about? Is anyone in your room that could help inform you?**

**8. How are you going to share what you've learned with your coalition?**

**9. How will you translate this information in a meaningful way?**

**10. Do you feel equipped in translating this information to your coalition? If not, what do you need?**
