Innovation Research and Scholarship

**Original**

- Accelerate the discovery, creation and transfer of new knowledge.

**Recommendation**

- Innovation is a strategy that can be combined with other goals

**Updated**

- *Research and Scholarship - Accelerate the discovery, creation and transfer of new knowledge.*

Committee kept original language for goal.
Industry and Community Partnerships

Original

• Capitalize systemically on relevant existing and emerging societal and economic trends that increase quality educational opportunities.

Recommendation

• Advance industry and community partnerships to provide quality educational opportunities and collaborations to satisfy rapidly evolving community and workforce needs.

Updated

• Partnerships – Advance industry and community partnerships to provide quality educational opportunities and collaborations to satisfy rapidly evolving community and workforce needs.

Committee adopted the recommendation of the AcT Team.
Committee adopted the recommendation of the AcT Team with minor change.
Committee adopted the recommendation of the AcT Team with minor change.

**Original**

- Empower students to create a campus culture and experience that meets their changing needs.

**Recommendation**

- To equip students, faculty, staff and the greater Wichita community with the tools to create a campus culture & experience that meets the students’ ever-changing needs.

**Updated**

- Campus Culture - Empower students, faculty, staff and the greater Wichita community to create a culture and experience that meets their ever-changing needs.
Applied Learning

Original

• Guarantee an applied learning or research experience for every student by each academic program.

Recommendation

• Keep Applied Learning as a WSU Goal, but modify to address the weaknesses.

Update

• Move to plan strategy to integrate into the campus framework.

Committee elevated to strategy.
Interdisciplinary Curricula

Original

- Pioneer an educational experience for all that integrates interdisciplinary curricula across the university.

Recommendation

- We recommend keeping this goal. We also recommend a closer look and revision of the metrics and definition of what this goal means to the university in the full strategic planning document.

Updated

- Move to plan strategy to integrate into the campus framework.

Committee elevated to strategy.
Assessment, Incentive and Rewards

Original
- Create a new model of assessment, incentive and reward processes to accomplish our vision and goal.

Recommendation
- Continue to analyze and improve the assessment, incentive and reward processes to accomplish our vision and goal.

Updated
- Move to plan strategy to integrate into the campus framework

Committee elevated to strategy.
Student Centeredness

Original: NA

Recommendation: NA

Updated: Student Centeredness - Promote holistic student success through a supportive learning environment in which all of our students...past, present and future, continually thrive and grow.
Vision

Wichita State University is globally recognized as the model for applied learning and research.

Mission

The mission of Wichita State University is to be an essential educational, cultural and economic driver for Kansas and the greater public good.

Goals

• Student Centeredness - Promote holistic student success through a supportive learning environment in which all of our students...past, present and future, continually thrive and grow.

• Research and Scholarship – Accelerate the discovery, creation and transfer of new knowledge.

• Campus Culture - Empower students, faculty, staff and the greater Wichita community to create a culture and experience that meets their ever-changing needs.

• Inclusive Excellence – Be a campus that reflects and promotes – in all community members – the evolving diversity of society.

• Partnerships – Advance industry and community partnerships to provide quality educational opportunities and collaborations to satisfy rapidly evolving community and workforce needs.
