

How to monitor BOS students

Employment discipline skills in non-acad settings

Definition

Learning by doing (x 2?)

Real world settings

career ready?

Looks different everywhere

x

How it helps

Get a job - keep talent here

x

Networking

Enhance class discussions

Pipeline: students → employees

Challenges

Learning opportunity or work product
For student? For client?

x

Compensation for mentors / supervisors

Mentor vs teacher

x

Tracking

Depts ID requirements by degree program

Requires CCF

Registrar notes

x

Other college

Dental hygiene - tied to courses

Zero credit does not show on transcripts

When
where | Teacher
Educ - starts 1st sem jr yr → increases through
teacher internship

Can applied
happen on
campus? | Thesis, diff
Student employees
Campus internships

↳ Challenge: Taking it to scale

Is applied learning the same as having a job?
↳ clarification

How to develop a degree that has no applied options

No cookie cutter approach

Opportunities
collaboration
CDC | Conversations w faculty + students
1/2 currently in zero credit
Can look different than trad internships
