Kansas Qualified Admissions Precollege Curriculum

High School Graduates Through Academic Year 2013-2014

What are Qualified Admissions?
Qualified Admissions (QA) are a set of criteria that guarantee admission to a state university for certain Kansas residents. These criteria are set by the Kansas Board of Regents, the governing body for the six state universities. The purpose of QA is to enhance success at the university level by ensuring high school students are prepared for the rigors of a university education.

What are the QA criteria for high school students?
Graduates of accredited Kansas high schools under the age of 21 with fewer than 24 transfer credit hours are admitted to a state university if they meet one of the following requirements:

• Achieve an ACT score of 21 or higher, OR
• Graduate in the top one-third of their class, OR
• Complete the precollege curriculum with a GPA of 2.0 or higher (please see table to right).

Which Kansas institutions use QA?
Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, the University of Kansas, and Wichita State University.

Is the QA Curriculum the same as my high school’s required curriculum for graduation?
No. High school graduation requirements are determined by the Kansas State Department of Education and local school districts. Students should be aware that the local and QA curriculums are separate and the requirements may not be the same.
