

AI vs AI

ACADEMIC INTEGRITY **ARTIFICIAL INTELLIGENCE**

THREE TIPS TO USE "ARTIFICIAL INTELLIGENCE" RESPONSIBLY

#1

ENHANCEMENT OVER SUBSTITUTION

AI is not a substitute for critical thinking or creativity, and it can make mistakes. It's important to use AI as a tool to enhance your own work, not as a replacement for it

#2

PRACTICE ETHICAL BEHAVIOR

When using AI for homework, it is important to practice ethical behavior like citing sources, respecting intellectual property rights, and avoiding plagiarism.

#3

UTILIZE TRANSPARENCY IN YOUR WORK

It is important to be transparent in the use of AI in your school work or homework, especially if you are using it to automate tasks or generate content
