

Soap Making

Soaps come in so many shapes and sizes nowadays from popsicle sticks to donuts to the traditional bar. Handmade soaps also make fun and creative holiday gifts.

In this class you will learn how to make a loaf of soap (that can be cut into 10 bars). Personalize it by choosing a color and fragrance from essential oils. This class is taught in two evenings by a soap artisan. Each evening you will make one full loaf (total of 2 loafs for the class).

After the second evening you will get to go home with your own Stick Blender and soap mold for future soap making!
