Shockers Innovate!

The WSU South location offers general education classes, professional programs, Shocker Studios classes, WSU Tech classes, and virtual reality research. Please visit www.wsutech.edu for more information on WSU Tech classes.

Elementary Education B.A. Degree Completion Program with classes in late afternoons and early evenings. This program lets you keep your daytime job!

WSU Tech students can complete their Shocker Pathway at WSU South as well. We have a diverse student population including high school guest students, regular university students, returning adults, and senior citizens. This mix gives our students a unique learning environment to interact with our faculty and other students. High school guest students will benefit from their learning experience here and make their transition to university life that much easier!

Students attending WSU Tech classes must be registered with WSU Tech. For WSU Tech class list and enrollment, please visit www.wsutech.edu
