WSU SOUTH

ENROLL FOR FALL CLASSES OF 2021 STARTING APRIL 5th

Shockers Innovate!

WSU South co-locates with WSU Shocker Studios and WSU Tech in a newly renovated complex with the latest cutting-edge teaching and learning technologies.

In addition to general education classes, WSU South offers many Psychology major and Elementary Education B.A. Degree completion classes in late afternoons and early evenings. This convenient class scheduling lets you keep your daytime job! WSU South offers select courses for the WSU Media Arts major students; WSU Tech students can complete their Shocker Pathways at WSU South as well.

We have a diverse student population including high school guest students, regular university students, returning adults, and senior citizens. This mix gives our students a unique learning environment to interact with our faculty and other students. High school guest students will benefit from their learning experience here and make their transition to university life that much easier!

Students attending WSU Tech classes must be registered with WSU Tech. For WSU Tech class list and enrollment, please visit www.wsutech.edu

All classes will be hybrid- blended with some of your course being held in the physical classroom and some online. The amount of in-person contact is up to your instructor and will vary by course. Online portions of the class may be “synchronous,” “asynchronous,” or a blend of both.

***classes are 8-week courses, only offered in the second 8 weeks of the semester**
