

Winter Ready Landscape

Gardening

Winter's coming...is your yard ready? We'll look at what and when to plant, how to water deeply and less often, different types of mulches and how to prune with hand and power tools. You'll go home with a pot of daffodils to force or plant in your yard and a planted window pot of herbs to use over winter.

Instructor: Charolett Knapic
Owner of Echo Landscapes
and Beautiful Day Cafe
