

College of Fine Arts policy for WSU student tickets

- Any student currently enrolled in good standing at Wichita State University is eligible to receive one free ticket.
- WSU students must get their ticket from the College of Fine Arts Box Office, located in the Miller Hall lobby (south entrance to the Duerksen Fine Arts Center).
- Tickets may also be procured starting one hour before a performance at the performance venue. However, tickets are sold first-come-first-served, and we cannot guarantee availability of tickets to any performance. Students are encouraged to get their ticket early.
- Because of handling costs and software considerations, students can't get a WSU student ticket online.
- Students must provide a current WSU ID.
- One WSU student ticket per event.
- Students may purchase additional tickets at the student discount rate.
