Sport Management
Alumni
Directory

2017

2017 UPDATE

Graduates of the sport management program are working in a variety of sport related settings. This directory lists many of those graduates in the hope that it will be a valuable networking tool for students and alumni. Thanks to the many advertisers who support this project.

We're always looking to expand our database of sport management graduates, so if you know of someone who should be included in this directory but isn't, please tell us how to reach them.

DEEP CLEANING SERVICES

Call Today:
316.300.5422

The satisfaction of our customers is our highest priority.

All our team members strive to do an excellent job, and provide quality service for our clients. Because of this, over 80% of our clients have come to us through referrals and recommendations.

We provide deep cleaning to many clients, and since we are a smaller company, we don't rush through things like the big cleaning companies that clean multiple houses per day do. They might clean everything hurriedly, rushing through everything so they have enough time to move on to the next house. This puts personal belongings and furniture in danger.

We are different because we know and appreciate the value of the items surrounding us (some unique or antique, and others of emotional value) and we make sure to dust them carefully, taking care of them as if they were our own, because cleaning is not only a job we do for money, it is our passion. It gives us great satisfaction to see the smiling faces of our customers. 100 % of our clients have been very happy and have enjoyed the results of our "super" cleaning. Many of our clients have also pointed out how their house has not been that clean since they bought it new.

We could not be more proud of what we do and how we do it.

We offer residential cleaning and commercial cleaning at a lower rate than our competitors, and we are a trustworthy company that strives for perfection in your home/business. For more information, visit our website at SuperHome-MaidCleaningService.com or our Facebook Page. Please call today for a free estimate at 316-300-5422.

The Kansas Defenders' mission aims to provide an affordable, educational and safe environment for youth to participate in sports. The Defenders' basketball program provides an emphasis on diversity, leadership and physical fitness. Defenders Basketball has a long history of developing youth into fundamentally sound basketball players and, more importantly, great people and teammates.
