Announcing the January 18, 2018 Reception, Dinner & Speaker Program

A Global Economic Outlook for 2018

Navigating the complex changes created by tax reform

Please join David Sites, International Tax Partner in Grant Thornton's Washington National Tax Office, as he discusses the tax planning opportunities created for multi-national companies by the newly enacted tax law. Now is the time to focus on how your organization will be impacted and what needs to be done to manage its effects.

Key Note Speaker

Mr. David E. Sites
Partner,
International Tax Services Grant Thornton LLP,
Washington National Tax Office

Date

Thursday, January 18, 2017

Venue

Wichita Marriott
9100 E Corporate Hills Dr.
Wichita, Kansas

Agenda

6:00 p.m	Social Hour and Hosted Reception by Grant Thornton LLP
6:50 p.m	Banquet & Wine
7:40 p.m	Program with introductions by Mario Bonilla, Partner, Grant Thornton LLP
8:45 p.m	Adjourn & consultations

As the leader of Grant Thornton's International Tax Technical practice in Washington DC, David has most recently focused on the international aspects of United States Tax Reform evaluating the potential impact of legislative changes. He concentrates on global tax planning, cross border merger and acquisition structuring, and working with global organizations in a variety of other practice areas. David has extensive experience in U.S federal income tax planning, tax due diligence, direct and indirect tax planning, foreign tax credit optimization, tax efficient intellectual property planning, U.S inbound and outbound investment tax strategy, specialized aspects of foreign asset and account reporting, and has deep experience regarding the application of ASC 740 to worldwide consolidated financial statements being prepared in accordance with Generally Accepted Accounting Principles. David's history of working on complex cross-border tax issues coupled with his personal relationships with professionals around the globe provides his clients with unique access to coordinated global advice leading to better tax planning outcomes. David currently serves as Vice Chair of the AICPA's International Tax Technical Resource Panel.
