# SEMESTER AND CLASSES TO BE CERTIFIED

#### □ FALL 2020 □ SPRING 2021 □ SUMMER 2020

- VA education benefits are paid based on training time/rate of pursuit, and benefit payment may be adjusted for enrollment that does not equal a full-time courseload spanning the entire semester.
- VA education benefits can only be certified for classes which are required for degree completion. Changes of major after enrollment has been certified for the semester are <u>not</u> permitted.
- Changes in your schedule involving dropping or adding classes, enrolling in classes outside your degree plan, repeating classes, or enrolling in classes that do not span the entire semester can affect your benefits. Failure to report changes may result in an overpayment of your benefits and subsequent repayment.
- The Enrollment Certification Request form <u>MUST</u> be resubmitted <u>within five days of an enrollment change</u> if any changes are made to your class schedule. Changes may result in a debt owed from the student to the Department of Veterans Affairs (VA) and/or WSU.
- Official documentation must be attached with your Enrollment Certification Request form by your advisor for any experiential classes (such as practicums, clinicals, internships, student teaching, field experience, co-ops) to verify the physical location of each experiential class, including the location's address and zip code. Requests received without appropriate documentation cannot be processed.
- For students using Chapter 33 Post-9/11 benefits: WSU Veteran Services will certify the net in-state tuition
  and fee charges for your approved classes with the VA. Any tuition charges with WSU not covered by your
  education benefit tuition payment from the VA are your responsibility. Tuition-based resources, such as Military
  Tuition Assistance, must be deducted from the tuition amount certified with the VA. <u>If you will be using Tuition
  Assistance, a tuition waiver, scholarships, or any other tuition-paying resource, you must notify Veteran Services
  prior to your GI Bill certification for the semester.
  </u>
- For students using Chapters 1606: Under regulations from the Department of Defense, students cannot use Federal Military Tuition Assistance (TA) in conjunction with Chapter 1606 MGIB-Selected Reserve. If you submit a request for Education Benefit certification but are using Federal TA for the same term, Veteran Services cannot certify your VA Benefits. If you are certified under VA Benefits and Veteran Services is made aware of Federal TA usage after VA Benefit certification has been processed, we must terminate your VA Benefit certification, which will result in a debt owed by you to the VA for any VA Benefit payment received for a term in which Federal TA is also used.
- Classes which are repeated may be certified for repeat if the original grade was punitive (i.e. a failing grade). Classes that have been successfully completed cannot be certified for VA purposes if they are repeated. Academic advisors must indicate on Enrollment Certification Request form if a class is being repeated and give a reason for the repeat. Veteran Services reviews all enrollment to determine VA qualification.
- Remedial classes, if required by test scores, can be certified <u>only if taken on campus</u>. Online or hybrid remedial classes cannot be certified.
- WSU Veteran Services is required to report non-punitive grades, such as W (Withdrawn), to the VA, which may result in a repayment of funds from the student to the VA.
- WSU Veteran Services is required to report grades of I (Incomplete) to the VA. You will have one year to obtain a letter grade for an incomplete or face possible repayment to the VA. If you have received an Incomplete in a class, contact WSU Veteran Services once a grade for the Incomplete is received to ensure proper notification to the VA. Audited classes cannot be certified.
- WSU Veteran Services is required to report academic probation, dismissal, and graduation to the VA.

#### My signature indicates I have provided accurate information and agree to comply with all VA and WSU guidelines.
