

Vitae

BRIAN DRIESSEN

Wichita State University
Mechanical Engineering Department
Wichita, KS 67260
(316) 978-5475 (office)
brian.driessen@wichita.edu

TECHNICAL INTERESTS: Dynamics, controls, modeling, optimization, and scalability and robustness aspects of controls implementation (embedding) in distributed (and mobile) systems.

PROFILE: Strong theoretical background in dynamics, optimization, and control. Experienced at control simulation for both analytical/numerical applications and hardware implementation. Interest in theoretical, computational, experimental, and hardware implementation aspects of this field.

EDUCATION:

Ph.D. Mechanical Engineering; Georgia Institute of Technology; 1996
M.S. Mechanical Engineering; Georgia Institute of Technology; 1993
B.S. Mechanical Engineering; Louisiana Tech University; 1991

EXPERIENCE:

2009-present: Associate Professor of Mechanical Engineering, Wichita State University
2004-2009: Assistant Professor of Mechanical Engineering, Wichita State University
2002-2004: Assistant Professor of Mechanical Engineering, University of Alabama in Huntsville
2000-2002: Research Engineer at Sandia National Laboratories
1996-2000: Post Doc, Sandia National Laboratories
1995-1996: Outstanding Summer Student Program, Sandia National Laboratories
1992-1995: Graduate Research Assistant, Georgia Institute of Technology

AWARDS AND FELLOWSHIPS:

2006-2007 Multidisciplinary Research Project Award (MURPA), Wichita State University
2005-2006: University Research Creative Grant (URCA), Wichita State University
1995-1996: Outstanding Summer Student Program (Sandia National Labs)
1992-1995: National Science Foundation Fellowship
1992-1995: President's Fellowship (Georgia Institute of Technology)
1991-1991: Summa Cum Laude (Louisiana Tech University)
1990-1991: Baker Foundation Scholarship (Louisiana Tech University)
