NSF ADVANCE: REACH for Excellence: WSU's
ADVANCE Adaptation Initiative for Equity in STEM
Faculty, \$1,000,000, 6/24 – 5/27

Mission

FARE will promote an innovative, inclusive, thriving academic community where **faculty are empowered to achieve their fullest potential in teaching and scholarship through mentorship, development programs, and collaborative opportunities** across disciplines and in the community.

Partners

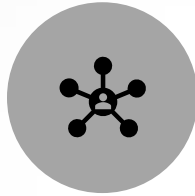

Together with partners offer programming to meet our mission.

Assistants

NSF Funding REACH
for Excellence:
WSU's ADVANCE
Adaptation Initiative
for Equity in STEM
Faculty

Supported by: NSF,
Academic Affairs, &
Office of Research

Dr. Debby Hinsdale

- **First-generation college graduate**
- **15 years of experience in adult education**, with 9 years at the college level
- **3 years with KU Center for Teaching Excellence**
 - Helped faculty transform courses to improve student learning based on research
- **4 years at Kansas City Kansas Public Schools**, as an instructor and a high school site coordinator/mentor for KU GEAR UP
- **Research emphasis on sense of belonging**, at the intersection of TESOL, social psychology, linguistics, and political science.

EDUCATION

- PhD in Curriculum & Instruction from KU
- MA in Teaching English for Speakers of Other Languages (TESOL) from the University of Texas at Arlington
- BA in Journalism from OU

Faculty Exchange Event

Friday, Feb. 21, 9:30-11 AM

Woolsey Hall 134

- For assistant and associate professors and librarians engaged in research
- Learn more about our Mutual Mentoring Grant Program
- Connect with other faculty and potential research collaborators
- Light refreshments, fruit, and pastries provided
- Email fare@wichita.edu if interested

Join the **FARE Office** for **Mutual Mentoring Grant Program Information Sessions**

Open to all faculty – all ranks, tenure track and non-tenure track

Attend one of our **Mutual Mentoring** Information sessions to learn how to submit proposals for funding collaborative, peer-driven professional development.

Unlike traditional one-on-one mentoring, **Mutual Mentoring** groups are peer networks that focus on shared learning and collective growth.

Information sessions:

Monday, February 24 at 9:30am [Join the meeting now](#)

Tuesday, February 25 at 4:00pm [Join the meeting now](#)

Wednesday, March 5 at 12:30pm RSC Lancelot Room 203

Sponsored by

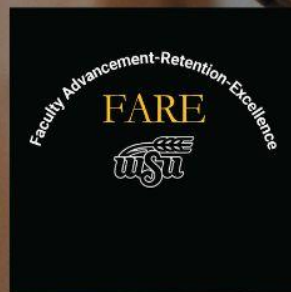

FARE Office **Academic Affairs** **Office of Research**

Getting Your Book Published

From Proposal to Print

February 26, 1-3pm

Ablah Library, Collaboration Hub

Other Upcoming Programming

- **Spring Break Writing Intensive** – March 18-20, 8:30-4:30
- **Workshop on using Pivot profiles for research networking & collaboration** – First week of April
- **End-of-semester mixer & mutual-mentoring grant celebration**
