- The Faculty Senate Executive Team was asked by MRC to update our website to comply with accessibility regulations. <https://www.wichita.edu/academics/facultysenate/>
- The committee met with Mike Marlett, MRC Website Manager, to discuss a plan.
- The committee identified 3 primary actions to bring the website into compliance.
 1. Convert governance Document from PDF to Web-based format (html). [Similar to University Policy]
 2. Archive documents on the website for prior years to AY23-24 to Senate Archive (<https://soar.wichita.edu/handle/10057/6375>) and continue to maintain only current AY and previous AY on website moving forward with older materials moved to archive.
 3. Require/request new documents meet accessibility requirements.
