

Anthropology of Aging

ANTH 397AF, Fall 2019, Online, CRN 13612

The ***older population is increasing*** faster than any other age group.

Successful individuals must be able to communicate, serve, and work with a diverse, aging population.

This course will cover world-wide cultural views on aging. All discussion and assignments will take place online. Enroll today for this opportunity to learn more about this growing population and how to relate, communicate and understand our global society.
