ASSISTANT PROFESSOR
ORGANIC CHEMISTRY
WICHITA STATE UNIVERSITY

Wichita State University (www.wichita.edu/chemistry) invites applicants with expertise in all areas of organic chemistry for a tenure-eligible position at the assistant professor level. Successful candidates will be expected to establish a vigorous externally funded research program centered on organic chemistry and demonstrate a commitment to excellence in teaching and directing research involving undergraduate, MS, and PhD level students. Successful candidates will be expected to teach graduate and undergraduate courses in their area of expertise. A PhD or equivalent degree in chemistry or related field, postdoctoral experience, a strong record of scholarly achievement and experience in working with diverse populations are required. A generous package of start-up funds, state of the art research facilities, and competitive salary are available.

Review of applications will begin December 1, 2019 and continue until the position is filled. The following should be submitted at http://wichita.edu/wsujobs: (1) letter of application, (2) full CV, (3) statement of teaching philosophy, (4) diversity statement, (5) research plan, and (6) estimated start-up costs. In addition, applicants should arrange for letters of recommendation from 3 individuals familiar with their professional accomplishments and qualifications to be sent to Search Committee, Department of Chemistry, Wichita State University, 1845 Fairmount, Wichita, KS 67260-0051, or e-mailed to chemistry@wichita.edu. Offers of employment are contingent upon completion of a satisfactory criminal background check as required by Kansas Board of Regents policy. All employees of Wichita State University are expected to support the WSU vision, mission, and values and to help foster an environment rich in diversity of culture, thought, and experience (https://www.wichita.edu/about/strategic_plan/mission.php). Candidates for faculty positions should be able to demonstrate the ability to effectively educate and empower a diverse student population.
