

**The Midwest Criminal Justice Institute  
is proud to sponsor:**  
**CULTURAL COMPETENCE  
IN LAW ENFORCEMENT**  
**MAY 18, 2021**

**COURSE DESCRIPTION:**

This training provides information about implicit bias as a trait of all humans, offers opportunities to review personal culture and social location, and summarizes studies of explicit police officer perceptions. This interactive workshop will demonstrate how cultural competence can enhance law enforcement skills in the community. How to make use of such information is the final component of the course.

**Course Learning Objectives includes the following:**

- to understand cultural and social location for yourself
- to recognize the importance of cultural competency for LE
- to become familiar with two perception studies of police officers
- to identify unconscious perceptions that may affect interaction with diverse communities.
- to interact effectively with a diverse workforce

**Cost of the Seminar is \$25.00**

**Registration and payment are centrally located for a one-stop registration. Please submit registration online through the link below:**
