Inter-Faith Ministries is hiring a new Chief Financial Officer. To apply, applicants must send a cover letter and resume via email to LaTasha St. Arnault at latasha@interfaithwichita.org or by mail to 829 N Market Wichita, KS 67214. Could you please post this to your job board? Thanks so much! Here is the job description:

For nearly 135 years, Inter-Faith Ministries (IFM) has worked to unite the Wichita community around helping those living in poverty. Building on this rich history, IFM now operates three homeless shelters and three affordable apartment complexes where struggling families and individuals receive wrap-around support services to help them address their unique challenges and pull themselves out of poverty. IFM also runs Wichita’s largest holiday assistance program, Operation Holiday.

Position Summary:

Inter-Faith Ministries is looking to hire a Chief Financial Officer (CFO) to lead the company from a financial perspective. Reporting to the President/CEO, the Chief Financial Officer is charged with planning, directing, and coordinating all financial activities including accounting, budgeting, forecasting, banking, insurance, audits, and other financial functions of the organization. To do well in this role you should have experience as a CFO in a company with complex financials.

Requirements Education, Experience, Certification:

- Bachelor’s degree in business, finance, accounting, or other closely related discipline
- CPA licensure preferred
- Minimum of 5 years of progressive experience in financial management with increasing responsibility in the areas of planning.
- Nonprofit sector experience preferred
- Experience in organizational budgeting and preparation of financial projections required

Knowledge, Skills and Abilities:

- Proven record of problem analysis and resolution at both a strategic and functional level.
- Expertise regarding generally accepted accounting principles, auditing standards, and laws, especially as relating to 501(c)(3) nonprofit organizations.
- Understanding of and experience with computerized accounting and information systems. Experience with Blackbaud’s Financial Edge and Excel is a plus.
- Excellent technical skills and experience in financial reporting and analysis, cash flow management, and information systems development and implementation.
- Strong customer orientation, both internal and external.
- Demonstrated ability to provide strategic financial and operation leadership and to give input on decisions affecting the college.
- Willingness to “roll up sleeves” as needed

Please send resume and cover letter to LaTasha St. Arnault at latasha@interfaithwichita.org
