Student Professional Development Grant
Political Science Department

This fund has been established in order to help Political Science majors participate in events/activities that will develop their professional skills and build their resumes. Such activities might include: presenting a research paper or poster at a conference, experiencing a summer internship, attending an academic forum for undergraduates (such as the Academy conference at the Air Force Academy), attending an academic workshop, or conducting research with a faculty member. The Department is open to considering other opportunities that students discover and would like to participate in.

Applicants must have a faculty sponsor who is working with them on their project, or who is familiar with their proposed event/activity.

This form should be completed in full and submitted to the Department Chair at least two months in advance of the proposed event/activity.
