All students in the clinical program receive financial assistance through Graduate Teaching Assistantships (GTAs). This GTA provides a tuition grant to cover 100% of out-of-state tuition as well as a portion of in-state tuition as well. The portion of this in-state tuition grant ranges from 75% for assisting teaching alone to 85% for also direct classroom instruction of one course. Most of our 1st year students take about 12 credit hours per semester.
