SWOGS — Social Work Organization of Graduate Students Crystal Coles, Vice-President

The Social Work Organization of Graduate Students (SWOGS) has really had an exciting semester! We started the semester off by helping to build a home for a local family with Habitat for Humanity, held an APA Workshop, and more recently, a Psychopharmacology Workshop.

The Psychopharmacology Workshop was extremely informative and will be beneficial in helping build or refresh our knowledge of the different medications that our clients utilize and how those medications can affect the treatment that social workers provide. We want to give a big thank you to Dr. Curtis Proctor making such

an amazing event available to the students of WSU, as well as the community!

Next semester, we are looking forward to holding a LMSW Exam Review on February 28, 2009! On behalf of SWOGS, have a Happy Holiday Season and we look forward to bringing in the 2009 New Year!!!
