Insurance

I understand that I may be placed with an agency that requires one or more of the following types of insurance coverage: (a) professional liability, (b) automobile liability, and/or (c) health/medical. **By signing this application, I hereby acknowledge that, if placed with an agency that requires such coverage, I am obligated to obtain, at my sole cost and expense, such insurance and maintain the requisite coverage during the duration of my practicum. I further understand and acknowledge that Wichita State is under no obligation to provide such insurance coverage on my behalf and indeed does not and will not provide such insurance coverage on my behalf.** I may request a practicum placement with an agency that does not require some or all of the above insurance requirements. While Wichita State University will make a reasonable attempt to accommodate this request, I understand and acknowledge that such accommodation is not guaranteed.

I hereby request to be placed in a practicum that does not require the following (*check all that are applicable*):

- Professional liability insurance in the amount of \$1,000,000 in each instance/\$3,000,000 in the aggregate.
- Automobile (including liability) insurance

Background Information

Have you ever been convicted of a felony or misdemeanor as an adult? Yes No

Has any governmental agency ever substantiated allegations made against you for physical, mental or emotional abuse or neglect, sexual abuse, or exploitation of (1) a child, (2) a resident of an adult care home, medical care facility, psychiatric hospital or state institution, or (3) an adult?

Yes No

If you answered yes to either of the above, please attach a narrative statement of explanation.

Answering “yes” does not automatically disqualify you for admission to the BSW program. However, depending on circumstances, it may affect your ability to be placed in a field practicum which is necessary to complete the BSW program. Please contact the Field Practicum Director if you have any questions.

I understand that prior convictions, diversions or pending charges may affect my ability to be placed in a field practicum which is necessary to complete the BSW program. This means that while you may be admitted to the program, you may not be able to complete the degree if there is something in your background that would prevent you from being placed in a field practicum. Many agencies require background checks. Some criminal charges may affect your ability to be licensed in the State of Kansas.

Practicum Manual Acknowledgement

I have been advised to read the Wichita State University School of Social Work Field Practicum Manual, located at http://webs.wichita.edu/?u=socialwork&p=/practicum/practicum_manual/. I agree to follow the expectations outlined in that manual throughout the course of my field placement experience.

Disabilities / Modifications

Wichita State University is committed to providing equal access to employment, educational programs, and activities for students with disabilities. The University recognizes that students with disabilities may need accommodations to have equally effective opportunities to participate in or benefit from University educational program, services and activities and will make reasonable modifications to the environment, policy and practice and/or provide auxiliary aids and services when the Office of Disability Services determines such modifications are needed for equal access.

Reasonable accommodation will be considered and may be made to qualified students who disclose a disability, so long as such accommodation does not significantly alter the essential requirements of the curriculum and the training program, or significantly affect the safety of others.

I also understand, and acknowledge that it is my responsibility to notify Wichita State University if I am in need of an accommodation. I further understand and acknowledge that it is my responsibility to notify Wichita State University if there is any reason I cannot meet the expectations of the Social Work Program, **with or without reasonable accommodations.**

I certify that the information on this application form is accurate and complete.
