FACULTY & GUEST ARTISTS

Jason Flanders (*Scene Shop and Properties Shop Mentor*) has held many jobs such as USAF Heavy Equipment Operator, Day Care Provider, Combat Engineer and Life Drawing Model. These jobs lasted (some longer than others) until boredom settled into the pores of his existence and those paths were all eventually abandoned. This aversion to boredom eventually led to art and theatre where, if boredom were to rear its dull head, it would soon be defeated by new challenges; new skills to learn, new styles and mediums to explore and new messages to be conveyed. The excitement of these new challenges quickly defeated boredom and its cubicle minions. The ongoing struggle to keep boredom at bay led Jason from the United States Air Force to Arkansas Tech University, where he earned a Bachelor of Arts, and continued his education in the Scenic Design MFA program at the University of Oklahoma. Teaching and exploring art and theatre as Assistant Educator in Design and Theatre Technology with a specialization in Scenery and Props for the School of Performing Arts at Wichita State University has proven to be the perfect weapon to insure boredom's defeat.

Jamison Rhoads (*Lighting and Scenic Mentor*) is thrilled to return to Wichita State University. Jamison graduated from the School of Performing Arts at WSU in 1996 with a Bachelor of Fine Arts in Theatre Performance. Jamison is coming to WSU from The University of Central Oklahoma where he served as the Associate Professor of Theatrical Media. Prior to UCO, Jamison taught at North Greenville University, Newman University, Cowley College, University of New Orleans and Tuls University. Jamison holds an MFA in Design from Temple University in Philadelphia and studied lighting at the Juilliard School in New York City. A lifelong theatre professional Jamison has designed over 200 productions for both professional and educational institutions. Jamison grew up in Wichita and is proud to call it his hometown. Jamison is married to the love of his life fellow Wichitan, Kate Rhoads. Together they have a sweet four-year-old daughter named Stella. Jamison is thrilled to be back at his Alma Mater, and he is excited to help Wichita State University School of Performing Arts grow into the future selected.

The Kennedy Center

*The Kennedy Center American College Theater Festival, part of the Rubenstein Arts Access Program, is generously funded by **David M. Rubenstein**.*

Special thanks to The Harold and Mimi Steinberg Charitable Trust for supporting the John F. Kennedy Center for the Performing Arts' Kennedy Center American College Theater Festival.

Additional support is provided by The Honorable Stuart Bernstein and Wilma E. Bernstein; and the Dr. Gerald and Paula McNichols Foundation.

Kennedy Center education and related artistic programming is made possible through the generosity of the National Committee for the Performing Arts.

This production is entered in the Kennedy Center American College Theater Festival (KCACTF). The aims of this national theater education program are to identify and promote quality in college-level theater production. To this end, each production entered is eligible for a response by a regional KCACTF representative, and selected students and faculty are invited to participate in KCACTF programs involving scholarships, internships, grants and awards for actors, directors, dramaturgs, playwrights, designers, stage managers and critics at both the regional and national levels.

Productions entered on the Participating level are eligible for invitation to the KCACTF regional festival and may also be considered for national awards recognizing outstanding achievement in production, design, direction and performance.

Last year more than 1,500 productions were entered in the KCACTF involving more than 200,000 students nationwide. By entering this production, our theater department is sharing in the KCACTF goals to recognize, reward, and celebrate the exemplary work produced in college and university theaters across the nation.

The Performing Arts Angels exists to provide educational and training opportunities for talented dance, musical theatre, and theatre (performance and design/tech) students in the School of Performing Arts - opportunities not funded through the state or university.

The School of Performing Arts faculty, staff, and students recognize and deeply appreciate all your financial support. It allows us to fulfill our mission to educate and train students for a career in the arts and entertainment industry. To find out how you can become a Performing Arts Angel and support the School of Performing Arts students, please contact our office at 316-978-3078 or give online at www.wichita.edu/give.

We apologize in advance for any omission or errors in this list. Please bring corrections to the attention of Ann Marie Siegwarth at annmarie.siegwarth@wichita.edu or 316-978-3945. Listings may shift from one program to another depending on the timing and receipt of gifts.
