

THE SPACO CIRCULAR

Welcome Back!

IN PROGRESS: Filming for "She Moved the Prairie". This sociocultural dance film serves as an homage to the women who worked on farms in the early 1900s by creating movement around their daily physical labor. A collaborative piece with Shocker Studios, it will be released in Spring 2021.

"The Monty Hall Problem": Released 29 October

Written by Ben Connor. "Where does the smartest woman in the world go for advice? That very question is examined in this fictional reflection of Marilyn vos Savant. Marilyn, her therapist, and Daytime Emmy-Award winner Monty Hall match wits in a reflection on doors, goats, and what it means to be right". A filmed version of "The Monty Hall Problem" will be released in late October. Check social media for more details as we get closer to the release!
