

DO MORE. BE MORE. EXPERIENCE MORE:

WICHITA STATE'S GENERAL EDUCATION PROGRAM

WELL-ROUNDED LEARNING.

At Wichita State, we strive to offer the most complete college experience possible to produce well-rounded, successful Shocker graduates. Through general education courses, you'll explore subjects outside of your major, expanding your knowledge, perspective and skills and making a positive impact on your career and life.

What you'll get from general education courses:

- Improved critical thinking skills
- Better communication, written and spoken
- Increased analytical reasoning and problem solving
- An acquired knowledge of natural and social science, the arts and humanities

Improve your skills by taking courses that include diversity content, study abroad experiences, service learning and experience-based learning.

GENERAL EDUCATION COURSE REQUIREMENTS, IN A NUTSHELL.

The 42-hour General Education Program at WSU consists of three tiers containing four kinds of courses.

TIER 1 | FOUNDATION COURSES ➔ Complete four courses within the first 48 hours of enrollment with a grade of C- or better. Foundation courses cover the fundamental skills you'll need throughout your college career and should be taken at the very beginning of your studies.

- ENGL 100 or 101 → COMM 111
- ENGL 102 → MATH 111, 112 or 131¹

TIER 2 | INTRODUCTORY COURSES IN THE DISCIPLINES ➔ Complete seven courses^{2,3}. These courses introduce students to the scope of human knowledge and inquiry. You'll use skills learned in Tier 1 during these courses.

DIVISION A		DIVISION B		DIVISION C	
FINE ARTS	HUMANITIES	SOCIAL/BEHAVIORAL SCIENCES		MATHEMATICS AND NATURAL SCIENCES <small>(One class must be from biological sciences, chemistry, geology or physics.)</small>	
<p>SUBJECT AREA</p> <ul style="list-style-type: none"> Art History Dance Musicology/Composition Theater <hr style="border-top: 1px dotted #ccc;"/> <p>REQUIREMENT</p> <ul style="list-style-type: none"> ➔ one course 	<p>SUBJECT AREA</p> <ul style="list-style-type: none"> Communication⁴ English⁴ History Modern and Classical Languages and Literatures Linguistics Philosophy Religion Women's Studies <hr style="border-top: 1px dotted #ccc;"/> <p>REQUIREMENT</p> <ul style="list-style-type: none"> ➔ two courses, one in each of two subject areas 	<p>SUBJECT AREA</p> <ul style="list-style-type: none"> Anthropology Criminal Justice Economics Entrepreneurship Ethnic Studies Geography Political Science Psychology Sociology Social Work <hr style="border-top: 1px dotted #ccc;"/> <p>REQUIREMENT</p> <ul style="list-style-type: none"> ➔ two courses, one in each of two subject areas 		<p>SUBJECT AREA</p> <ul style="list-style-type: none"> Anthropology Biological Sciences Chemistry Computer Science Geology Mathematics/Statistics⁴ Physics Public Health <hr style="border-top: 1px dotted #ccc;"/> <p>REQUIREMENT</p> <ul style="list-style-type: none"> ➔ two courses, one in each of two subject areas 	

TIER 3 | ADVANCED FURTHER STUDY AND ISSUES AND PERSPECTIVES COURSES IN THE DISCIPLINES

- ➔ Complete three courses⁵
- From addressing broad issues to providing more focused studies, these courses allow students to follow up on interests developed during Tier-2 courses in the following divisions:
 - Fine Arts and Humanities (Division A)
 - Social and Behavioral Sciences (Division B)
 - Mathematics and Natural Sciences (Division C)

¹ MATH 111 or any math course that requires MATH 111 or 112 as a prerequisite. MATH 131 does not fulfill the prerequisite for any further math course. MATH 131 does not meet degree requirements in all colleges.

² Courses within a student's major department shall not count toward fulfilling general education requirements. (This restriction applies only to one major. For students with a double major, courses in the second major could count toward fulfilling their requirements).

³ An approved advanced course can be used as an Introductory course.

⁴ Excluding Foundation Courses.

⁵ One course must be an Advanced Further Study (FS), one must be an Advanced Issues and Perspectives (I&P), the third course can be either. If a student takes two FS and one I&P, the two FS courses must be distributed over two divisions; if a student takes one FS and two I&Ps, the I&P courses must be in at least two subject areas.

| **ADDITIONAL COLLEGE/SCHOOL GENERAL EDUCATION REQUIREMENTS** |

- **Business** requires MATH 144 or 242 and ECON 201 and 202. MATH 111 or 112 meets the prerequisite for MATH 144. Philosophy requirements: PHIL 105 counts as an Introductory course and PHIL 306, an issues and perspectives advanced course.
- **Education** requires PSY 111. Teacher education students must take STAT 370 (Secondary Math majors must take Math 242 instead of Stat 370). MATH 111 is a prerequisite for STAT 370. Elementary majors must earn a C (2.000) or higher in MATH 111 in order to take higher level MATH courses.
- **Engineering** requires the following:
 - Foundation courses: All WSU students must complete three courses in communication skills: ENGL 101 and 100 (for non-native speakers), ENGL 102 and COMM 111, each with a grade of C or better and within their first 48 hours.
 - Four introductory courses in the disciplines, to include one course in Fine Arts, one course in Humanities, and two courses in two different disciplines in Social and Behavioral Sciences.
 - One advanced further study course in humanities or social and behavioral sciences (may not be taken in PHIL.)
 - One issues and perspectives course: PHIL 354 for students majoring in computer engineering or computer science, or PHIL 385 for all other engineering majors.
 - All WSU students also must complete courses in the division of mathematics and natural sciences; however, because the engineering curriculum requires 32-35 hours of mathematics and natural sciences, engineering students automatically satisfy the requirements in this division.
- **Fine Arts** students majoring in art education, music education and special education music are required to take PSY 111 and STAT 370 (or a higher level MATH course).
- **Health Professions** requirements are listed by major. General education requirements vary.
- **Honors College** requires the following:
 - Honors students fulfill General Education requirements set by their major college. Honors students have dual advising: They should meet first with their major college advisor and then as needed with an Honors advisor to choose Honors courses that meet General Education requirements.
 - Students working toward the Emory Lindquist Honors Scholar distinction or the Honors Baccalaureate degree are required to fulfill any three of their General Education credits with an HNRS seminars.
 - Honors Baccalaureate students meet with an Honors advisor to select additional courses to fulfill the 42-hour General Education program.
- **Liberal Arts and Sciences** requires the following:
 - English or foreign language literature (humanities)
 - HIST 131, 132 (humanities) or POLS 121 (social science)
 - Three natural science courses: At least one biology course and one physical sciences course; one must have a lab experience (does not include mathematics, personal computing, statistics, or computer science)
 - Foreign language in all BA degrees and the BS degree in criminal justice
 - Exploratory students meet with an academic adviser in the Liberal Arts and Sciences Advising Center. Students who have not declared a major may want to take a variety of courses to help clarify interests and identify possible majors and remain academically flexible.

| **AMENDMENT TO WSU GENERAL EDUCATION POLICY - MAY 2014** |

COMMUNITY COLLEGE TRANSFERS

☞ A student transferring to WSU having earned an AA or AS degree from a Kansas public community college will be considered to have satisfied WSU's general education curriculum provided that he or she successfully completes at WSU (with a grade of C- or better) two Tier 3 general education courses numbered 300 or above (Tier 3 courses are those designated as Advanced Further Studies or Issues & Perspectives). The two courses must be in two separate divisions or subject areas. Students must also complete the Foundation Skills courses of ENGL 101 and 102, COMM 111 (public speaking), and MATH 111 or equivalent (college algebra).

RN-TO-BSN AND DENTAL HYGIENE DEGREE COMPLETION STUDENTS

☞ A student enrolled in WSU's RN-to-BSN degree completion program, having earned an associate degree in nursing, will be considered to have satisfied WSU's General Education curriculum provided that he or she successfully completes (with a grade of C- or better) two Issues & Perspectives courses.

☞ A student enrolled in WSU's Dental Hygiene degree completion program, having earned an associate degree in dental hygiene, will be considered to have satisfied WSU's General Education curriculum provided that he or she successfully completes (with a grade of C- or better) two Issues & Perspectives courses.

These policies are effective for any student graduating from WSU fall 2014 or beyond.

General education courses must be at least 3 credit hours and from the approved general education course list. For more information, visit the general education website at wichita.edu/generaleducation.

General education courses offered in a given semester are identified in the online schedule of courses and listed at wichita.edu/schedule.

Foundation Courses

Foundation courses cover the fundamental skills needed throughout college. They should be completed within the first 48 hours of enrollment with a grade of C- or better.

COMM 111	Public Speaking	3
COMM 111H	Public Speaking - Honors	3
ENGL 100	English Composition	3
ENGL 101	College English I	3
ENGL 102	College English II	3
MATH 111	College Algebra	3
MATH 112	Precalculus Mathematics	5
MATH 123	College Trigonometry	3
MATH 131	Contemporary Mathematics	3
MATH 144	Business Calculus	3
MATH 242	Calculus I	5
MATH 242H	Calculus I - Honors	5

INTRODUCTORY COURSES

FINE ARTS COURSES

ARTH 103	Art Appreciation	3
ARTH 125A	Introduction to Visual and Material Culture: Play	3
ARTH 125B	Introduction to Visual and Material Culture: Bodies	3
ARTH 125C	Introduction to Visual and Material Culture: Power and Propaganda	3
ARTS 270	Introduction to Ceramics	3
DANC 140	Art of The Dance	3
FA 110	Introduction to the Fine Arts	3
HNRS 104B	Art of Theater	3
MUSC 113	Introduction to Music Literature	3
MUSC 160	What to Listen for in Music	3
MUSC 161	Music Through the Ages	3
MUSC 162	World Music	3
THEA 143	The Art of the Theater	3
THEA 260	History of Musical Theatre	3

OUR ADVICE? → GO SEE YOUR ADVISOR.

The best way to stay on course toward graduation is to meet with an advisor each semester before registering for classes. Your advisor will help you in selecting and sequencing classes that meet your particular degree requirements. **To schedule a meeting, contact the advising office in the college of your major. Freshmen should contact their OneStop advisor.**
