

CHP Strategic Planning

Central Challenge: Be Recognized as a
Regional Leader in Innovative Health
Professions Education

Priority A

*Enhance the student experience
to meet evolving educational and
professional needs*

Priority B

*Support a broad base of research
and contributions to health care*

Priority C

*Strengthen CHP financial and
human resources*

Cross Cutting Priority

Build a Collaborative, Teaming Culture that Transforms Health Care

Cross Cutting Priority

Embed diversity, equity, and inclusion in ALL that we do
