

## Associate of Applied Science Health Information Management (HIM)

## Online Bachelor of Science in Health Management (BSHM)

### Advance Your Career in Health Information Management

Health Information Technicians (HITs) play a vital role in maintaining accurate medical records and collaborating with healthcare providers to optimize reimbursement. According to the U.S. Bureau of Labor Statistics (BLS) HITs will see an 8% job growth from 2020 to 2030 and an average annual salary of \$44,090, HITs have a solid foundation in healthcare.

Wichita State University's 100% Online Bachelor of Science in Health Management (BSHM) program offers HITs a pathway to advance into leadership roles in health information systems. The program also includes an Accelerated Bachelor's to Master's in Health Administration (MHA) option, preparing students for executive positions and offering valuable networking opportunities.

Medical and health services managers are projected to see a 29% growth rate from 2023 to 2033, with a median annual wage of \$110,680 (BLS), highlighting strong career advancement prospects in the field

HR 215 HIM Clinical Affiliation	2
---------------------------------	---

**Summer 2nd Year Semester Total Hours 2**

**Hutch CC - Total Credit Hours: 66**

# 100% Online Bachelor of Science in Health Management (BSHM)

The BSHM program prepares graduates for leadership roles in healthcare and serves as a strong foundation for advanced studies in health administration, public health, or aging studies. Students can specialize in aging services, senior living, healthcare operations, health science, or public health, tailoring their education to build industry-relevant skills. Taught by experienced faculty and healthcare professionals, the program provides practical knowledge for success in the evolving healthcare landscape.

Complete the program 100% online with in-state tuition or choose a hybrid format with in-person learning. Flexible options help students balance work, school, and life while advancing their healthcare careers.

Complete your degree full time, part time on YOUR time!
