Honors Thesis Submission

All work submitted as an Honors thesis project must be accompanied by the Honors Thesis Evaluation signed by the supervisor, and, if required by the thesis supervisor, additional faculty advisors. The thesis cover sheet provides written certification from the supervisor stating that the thesis meets the standards and expectations established by the supervisor and agreed upon by the student. Submit a scanned copy of this form and an electronic copy of your thesis to honors@wichita.edu. For more information about submission dates, go to https://www.wichita.edu/academics/honors_college/HonorsDistinction/HonorsBaccalaureate.php

The Honors Dean’s Office submits the final certification to the Registrar’s Office for Honors Baccalaureate students.

Honors Thesis Evaluation

______ Pass with Distinction: The thesis exceeds expectations. A thesis passed with distinction qualifies for publication on the website and SOAR. You must complete the additional SOAR submission form in order to publish your thesis in SOAR.

______ Pass: The thesis meets expectations. A thesis passed will be considered for publication on the website and SOAR.

______ Pass with Revisions: The thesis does not meet expectations but the basic hypothesis and data are sufficient in quality and quantity to recommend minor revisions. To complete requirements for the Honors Baccalaureate, the student must revise a thesis passed with revisions and resubmit for review by the faculty thesis supervisor by the current semester deadline.

If a student has not completed written or creative assignments and the thesis contains significant flaws, at the discretion of the faculty thesis supervisor, the student may revise the thesis and resubmit for consideration in the next semester.

By signing below, the thesis supervisor certifies that the Honors thesis is complete and meets degree requirements.
