Honors aims to foster intellectual curiosity, professionalism, and transformation through integrative learning. H.B. students are expected to:

- >> Demonstrate understanding of the scholarship behind at least two disciplines' or professions' core principles/practices;
- >> Communicate effectively across disciplines and/or professions;
- >> Address an urgent intellectual question, creative debate, or real-world problem through research or creativity activity;
- >> Contribute to an intellectual, creative, or civic community;
- >> Reflect on individual development.
