

Dankook University – CW742

Students should check with the study abroad advisor and/or their academic advisor to determine which classes are offered during the semester in which they plan to study abroad. Classes listed below show transfer equivalencies, however the classes are not always offered during every semester. Students should meet with an academic advisor to determine how the classes would be applied toward their WSU degree.

***This is not a full list of classes offered at Dankook University. Students who find classes that they plan to take that are not listed here should first consult the study abroad advisor to determine how to have those classes evaluated if needed.**

***Grades of C - A+ (70-100) will transfer back as credit from this university. Grades lower than this will not receive credit.*
