- The LewerMark Student Insurance Plan is required for international travel. The total cost is based on the total number of days the student is abroad. As of July 2022, it cost \$1.16 per day for a maximum \$100,000 coverage and \$100 deductible. 152 days (5 months) will be approximately \$180. - Airfare cost was provided according to Expedia as of July 2022 with travel dates of January 12, 2023 – June 8, 2023. This should provide a good estimate to cover the airfare expense. On average a bus from the Gothenburg airport to Jonkoping is \$23.28 two ways, so this was added to the airfare estimate.
- Personal expense estimates are provided by Financial Aid for students living on the WSU campus, which will be similar during a study abroad program.

*** Tuition and Fees are based on the Resident rate for 12 undergraduate credit hours at Wichita State University. Students will pay their current tuition rate during the study abroad program based on their residency and any specific college/department requirements.**

Disclaimer: All costs are estimates and subject to change. Some universities will require payment for accommodations in advance as well as other fees. Often times, students will need to show proof of funds to live in the host country by means of bank statements in order to apply for visas. Please note extra travel expenses are not included. Budget accordingly.
