# Study Abroad Spotlight

## *Faculty Led Program*

### **Madison Van Burkleo**

Major: *Social Work*

Study Abroad Program:

*European Travel Seminar*

*(WSU Political Science Department)*

Session: *Summer 2016 - 2 Weeks*

**Q: What did you enjoy most about the European travel seminar?**

*A: I'd have to say that my favorite part of the European travel seminar was being fully immersed into so many different cultures in such a short period of time. Learning about each city's language, cultural norms, and typical food and activities was a big learning experience for me! This trip definitely got me out of my comfort zone, and for that I am glad!*

**Q: Why would you recommend a study abroad program to other students, even if it is only for two weeks?**

*A: Even though the travel seminar is only two weeks, it will leave you with life long memories. I would definitely recommend this trip to anyone who is interested in traveling abroad because you the experience of being fully immersed within so many different cities and cultures, without the commitment of staying for an entire semester like you would if you studied abroad.*
