"I have always wanted to travel the world. I figured there's no better way to travel the world and really learn about diverse cultures than to live within it."

Q: What is life like in Hamburg, Germany?

A: Life in Germany is so different than life in Kansas. We take trains and walk all over! There are dogs all over Hamburg, even in stores and restaurants!!

Q: Why should other students study abroad?

A: When studying abroad you gain knowledge about how unfamiliar cultures are and become more aware of how the world turns. Studying abroad also makes you a much more rounded person.
