

**Classes begin in February, March & April!  
LAST DAY TO REGISTER IS FEBRUARY 24!**

## **COVID-19 SPECIAL NOTICE**

**Thank you for your interest in Wichita State University's Lifelong Learning program.** Due to the COVID-19 global pandemic, we have made several adjustments to the delivery of our content in order to ensure public safety and your comfort in these classes. At all times, Wichita State University will be adhering to local, state and national practices regarding our in-person setups such as social distancing and face coverings. *As such, we are offering two methods for our Spring 2021 Lifelong Learning classes.*

### **METHOD 1: IN-PERSON**

All in-person classes will be held at Wichita State University's Metropolitan Complex located at 5015 E. 29th St. N., Wichita, KS 67220. No Lifelong Learning classes will be held at senior centers or retirement communities this semester. Class capacities will be limited to the current local guidelines on gatherings and social distancing as of the first class. **Face coverings are required.** Registrants will be enrolled in the in-person classes on a first-come, first-served basis. Once we reach the capacity of a room, we will close in-person registration. All registrations thereafter will be converted to online, and the registrant will be notified.

### **METHOD 2: ONLINE\***

All Wichita State University Lifelong Learning classes will be made available online. If you choose this option, you will receive a link via email each week to view the class on your device. You will have the opportunity to email questions to the instructor which they will address at the start of the next class.

*\* In order to watch the class online, you will need a computer or smart device such as a tablet, iPad, smart phone, Kindle, etc. with an internet connection. Once you receive the link, you will click on it and streaming will begin automatically. All videos will be made accessible with closed captioning. No account or special software is required.*

**NOTICE: COVID-19 is a complex, challenging, and fluid situation which continues to evolve rapidly. All information on these pages is subject to change as deemed necessary by University leadership in accordance with guidance and recommendations issued by federal, state, and local public health and government officials.**

**Questions?** Please contact Wichita State University's Lifelong Learning office at 316-978-3731 or at [lifelonglearning@wichita.edu](mailto:lifelonglearning@wichita.edu).
