LIFELONG LEARNING APPLICATION
for students 60 years old or older

Notice: Per the Kansas Board of Regents Policy, Kansas residents 60 years of age and older can enroll as auditors in academic credit courses when space is available without paying tuition. The only cost to these students is any applicable workshop fees and lab/special course fees. All course fees will be scholarshipped by Wichita State University provided that the student is 60+ years of age, is a Kansas resident and registers before September 11, 2024. Senior citizens must present a Medicare card or driver's license to validate age. Students who are younger than 60 years of age can enroll in the course but will pay regular tuition and fees (please call 316-978-3264 for more information).

Step 1: Select the class(es) you want to enroll in

All course work will be offered in-person and online. In-person classes will be held from 1-3pm at the Wichita State University Metropolitan Complex located at 5015 E. 29th St. North. Students who select the online option (email required) will receive a link via email each week to view the class on their own device. Students can watch the recording at their convenience.

Please choose EITHER the in-person OR the online viewing method (email required).

Classes are free* for students 60+ years old who enroll by September 11, 2024!

*This is made possible by a scholarship which covers all course fees provided by Wichita State University and a tuition waiver provided by the Kansas Board of Regents.

Students 60+ years of age who enroll after September 11, 2024 will incur an application fee and regular course fees.

Please be aware that you will be receiving a 1098-T tax form from WSU. Even though you are auditing the classes and some of the fees could be scholarshipped by the University, we are required by the IRS (Internal Revenue Service) to provide you with a 1098-T form. For more information regarding the 1098-T, please visit www.wichita.edu/1098t.

Assignment and definition of a credit hour: Success in this 0.5 credit hour course is based on the expectation that students will spend, for each unit of credit, a minimum of 7.5 hours over the length of the course in direct instruction as provided by the instructor and an additional 15 hours outside of class reading, reflecting and evaluating the topics for a total of 22.5 hours.
