

SIGMA PSI ZETA SORORITY, INC.
Alpha Theta Chapter Presents:
The Aurora Scholarship
Rise of the New Dawn

Sigma Psi Zeta is a progressive multicultural Greek organization founded on March 23, 1994 and incorporated on March 15, 1996. The Alpha Theta Chapter was chartered at Wichita State University on November 16, 2013. Our vision is to provide success and support for womxn, particularly those of color. We aim to be a community of pioneers and innovators offering opportunities for womxn to develop professional and personal skills in service of education, cultural awareness, and our philanthropy, which is to combat violence against womxn.

The Aurora Scholarship recognizes the efforts of all incoming freshmen as they strive to be leaders at Wichita State University and in the community. The term Aurora comes from Latin terminology meaning dawn. In hopes of establishing a new era for womxn empowerment in our community and on campus, this scholarship sponsored by Sigma Psi Zeta and emPRINTING Shop was created to advocate for change in the community.
