

**Topeka Daylily Club
Scholarships For
Fall 2019**

The Topeka Daylily Club is pleased to offer two scholarships to any full-time students who have completed at least one year in any Kansas college or university before the start of the Fall 2019 Semester. Each scholarship is for \$500.00, payable to the university in the recipient's name for academic pursuits. One scholarship is for a student majoring in horticulture and the other scholarship is open to any student seeking a degree in any field.

Any qualified student can apply for the scholarship by completing the following:

1. Fill out the scholarship application form.
2. Write a statement to the Scholarship Committee introducing themselves, describing why they deserve the award, and how the monies would help them toward their goals. A letter of recommendation may also be included with the statement.

The application and statement should be mailed by May 1, 2019 to:

Frank Holmstrom
4042 S. E. 34th Street
Topeka, Ks. 66605-3052

A completed application/statement for either scholarship is considered an unwritten agreement between the student and the Scholarship Committee of the Topeka Daylily Club that the Scholarship Committee has the applicant's permission to confirm and validate the applicant's eligibility with their school.

The students who are chosen to receive the scholarships will be notified by a phone call before the start of the Fall 2019 semester. The schools involved will receive a check to be added to the winning student's financial aid account.
