Scholarship & Financial Matters

- **Scholarship**
 - **Undergraduate** applicants may apply for new student scholarship, ranges from US\$2,500-US\$5,000, before June 1. Visit www.wichita.edu/InternationalScholarships for application instructions.
 - **Graduate** applicants shall check with individual departments for scholarship application information.
- **Tuition Installments:** Paying an administrative fee of US\$30, students may pay the tuition fees in four installments. No interest is charged. Students may apply for the payment plan after arriving in Wichita.
- **Working on Campus:** International students may apply for on-campus jobs and work up to 20 hours per week. By working 20 hours per week, students can earn approximately US\$550 per month. There are over 250 departments and offices on campus that hire student workers.
- **Working off Campus:** After attending Wichita State for one year, students may apply through the Cooperative Education Program for off-campus jobs that are related to their major field of study.

Campus Housing

- Living on campus is very convenient because you can easily walk to class, the library, or sports facilities.
- All residence halls provide utilities (water, gas, and electricity), Wi-Fi and high-speed internet, furniture, air-conditioning, laundry facilities, and restricted access for extra security.
- Dining hall provides both American and international cuisine with Halal and vegetarian options every meal.
- First year IELC and undergraduate students under the age of 21 are required to live on campus.

Campus Facilities

- **The Shuttle Bus** system is a free service to students, faculty, staff and visitors to WSU. The bus makes stops at different buildings and residence halls.
- **The Indoor Sports Facility** includes swimming pools, basketball courts, volleyball courts, badminton courts, squash court, fitness studios, indoor track, and more. Outdoor facilities such as tennis court, track and field, and soccer fields are available as well.
- **The Experiential Engineering Building** offers top of the line equipment to all students to materialize their ideas. It provides meeting space, machinery workshop, and design studio to students in all disciplines.
- **The Innovation Campus** is currently under construction with new buildings opening every semester! These expansions will double the size of WSU campus. It will include a shopping mall, a hotel, apartments, new classroom spaces, and more partner companies.

The City of Wichita

- Wichita is the largest city in Kansas and has a metropolitan population of 630,000 people. The city area is 423 km² (size of Chicago is 606 km²). Wichita is the cultural, industrial, and financial center of Kansas. The city has been given the prestigious All-American City award three times.
- The airport (Wichita Dwight D Eisenhower National Airport) is 15 minutes drive from campus. Free airport arrival assistance is provided to new international students.
- Wichita enjoys four seasons with 250 days of sunshine a year! Average temperature in Spring (Mar-May) is 20°C, Summer (Jun-Aug) is 32°C, Fall (Sep-Nov) is 21°C, Winter (Dec-Feb) is 7°C.
- Wichita is in the Central Time Zone. During Daylight Saving Time (or Summer Time), usually starts in March and ends in November, the clocks are set one hour forward.
