

<p style="text-align: center;">INTI COLLEGE</p> <p style="text-align: center;">DIPLOMA IN INFORMATION AND COMMUNICATIONS TECHNOLOGY</p>	<p style="text-align: center;">WICHITA STATE UNIVERSITY</p>
CAP 2100: Capstone Project	Free elective
COM 2111: Writing Skills	Free elective
ICT 1100: Principles of Information Technology	PC 105: Introduction to Computers with Applications
ICT 1101 Program Logic Formulation	Free elective
ICT 1102: Introduction to Internet Technologies	Free elective
ICT 1103: Structured Programming	CS 211: Introduction to Programming
ICT 1104: Database Management	Free elective
ICT 1105: Fundamentals of Networking	CS 464: Computer Networks
ICT 1106: System Analysis & Design	MIS 605: System Analysis & Design
ICT 1107: Introduction to Human Computer Interaction	Free elective
ICT 2100: Object-Oriented Programming	CS 411: Object-Oriented Programming
ICT 2101: Computer Organisation	Free elective
ICT 2102: Introduction to Data Structure	CS 300: Data Structures & Algorithms I
ICT 2103: network Design, Testing and Implementation	Free elective
ICT 2104: Computer Ethics	PHIL 354: Ethics and Computers
ICT 2105: Interactive Multimedia	Free elective
ICT 2106: Fundamentals of Trustworthy Computing	Free elective
ICT 2107: E-Commerce Theory and Applications	BUS 2000 – free elective
ICT 2108: Digital Image Editing	ARTS 2000 or

	ARTG 2000
ICT 2109: Server Management	Free elective
INT 2100: Internship	Free elective
MAT 1103: Fundamentals of Mathematics	MATH 111: College Algebra
MAT 1104: Discrete Mathematics	MATH 321: Discrete Structures I
MGT 1103: Fundamentals of Management	MGMT 360: Management or ENTR 2000: Engineering Technology elective
SSC 1107: Entrepreneurship Skills	ENTRE 160: Introduction to Entrepreneurship
STA 1101: Quantitative Methods	STAT 370: Elementary Statistics
