NANYANG POLYTECHNIC DIPLOMA IN MULTIMEDIA AND INFOCOMM TECHNOLOGY	WICHITA STATE UNIVERSITY
EG 3030: Wireless Technology and Applications	Free Elective
IT 1801: Analog Electronics	Free Elective
IT 1802: Electrical Principles	Free Elective
IT 1803: Engineering Mathematics 1A/1B	Free Elective
IT 1804: Multimedia Computer & Networking	C S 350K: Network Essentials
IT 1805: PCB Design & Prototyping	Free Elective
IT 1806: Productivity & Creativity	Free Elective
IT 1807: Semestral Project 1	Free Elective
IT 1808: C Programming	C S 211: Problem Solving & Programming in C
IT 1809: Digital Electronics	Free Elective
IT 1810: Digital Media and Design	Free Elective
IT 1811: Electric Circuits	Free Elective
IT 1812: Engineering Mathematics 1A/1C	Free Elective
IT 1813: Semestral Project 2	Free Elective
IT 2801: Computer Systems and Windows Programming	Free Elective
IT 2802: Electronic Circuit Analysis	Free Elective
IT 2803: Electronic Communication	Free Elective
IT 2804: Engineering Mathematics 2A	Free Elective
IT 2805: Microcontroller Applications	E CE 594: Microsystem Design
IT 2806: Semestral Project 3	Free Elective
IT 2807: Data Communication and Networking	C S 350K: Network Essentials
IT 2808: E-Commerce	C S 350N: E-Commerce

IT 2809: Engineering Mathematics 2B	Free Elective
IT 2810: Internet Technology	C S 150W: Internet Tools
IT 2811: Multimedia Interfacing & Production	Free Elective
IT 2812: Object-Oriented Programming	C S 350L: JAVA
IT 2813: Semestral Project 4	Free Elective
IT 2814: Communication Skills 2	COMM 325: Speaking in Business & the Professions
IT 3801: 3D Modelling, Rendering and Animation	Free Elective
IT 3802: Broadband Communications and Networking	C S 742: Computer Communication Networks
IT 3803: Computer Telephony	Free Elective
IT 3804: Database Systems and Design	C S 665: Introduction to Database Systems
IT 3805: Enterprise Development	Free Elective
IT 3806: InfoComm Systems Implementation	Computer Science Elective
IT 3807: Internet Programming	C S 655: Information Delivery on the Internet
IT 3808: Mobile Computing	Free Elective
IT 3809: Network Management and Troubleshooting	Free Elective
IT 3810: Network Software Programming	Free Elective
IT 3811: Multimedia Project Management	Free Elective
IT 3812: Semestral Project 5	Free Elective
IT 3813: Speech, Image and Video Compression	Free Elective
IT 3814: Virtual Reality	Free Elective
IT 3815: Full-Time Semestral Project	Free Elective
IT 3816: Full-Time Semestral Project	Free Elective
IT 3817: Full-Time Semestral Project	Free Elective
IT 3819: Industrial Attachment Programme	Free Elective
