

NGEE ANN POLYTECHNIC - DIPLOMA IN BUILDING SERVICES ENGINEERING	WICHITA STATE UNIVERSITY
Academic and Technical Writing	ENGL 210: Composition: Business, Professional, and Technical Writing
Applied Fluid Mechanics	Free elective
DC Circuits and Digital Electronics	Free elective
Engineering Mathematics 1	MATH 112: Precalculus Mathematics
Information Technology	C S 105: An Introduction to Computers and their Applications
AC Circuits and Analogue Electronics	Free elective
Applied Thinking Skills	Free elective
Computer Aided Design 1	Free elective
Engineering Mathematics 2	Free elective
Engineering Mechanics	Free elective
Productivity and Quality Studies	Free elective
Social and Community Values	Free elective
C Programming	Free elective
Construction Productivity and Safety	Free elective
Electrical Machines and Transformers	Free elective
Engineering Mathematics 3	Free elective
Thermodynamics	Free elective
E-Business for the Building Industry	Business elective
Enterprise Development	ENTRE 310C: Entrepreneurial Experience
Material Science	Free elective
Building Construction	Free elective

Computer Aided Design 2	Free elective
Fire Engineering	Free elective
Instrumentation and Control Engineering	Free elective
Professional Communication	COMM 325: Speaking in Business and the Professions
Project Management	Free elective
Business and Supervisory Management	MGMT 360: Management and Organizational Behavior
Engineering Mathematics 4	Free elective
Property Management	Business elective
Air Conditioning and Refrigeration	Free elective
Building Automation and IT	Free elective
Construction IT	Free elective
Electrical Power Distribution and Installation	Free elective
Fire Safety Management	Business elective
Advanced Engineering Mathematics	Free elective
Facility Management	Business elective
Principles of Accounting	ACCT 210: Financial Accounting
M&E Systems Design	Free elective
6-Month Industrial Attachment Programme	Free elective
6-Month Full-Time Projects	Free elective
